

# DOES YOUR 1ST, 2ND, OR 3RD GRADER NEED MORE PRACTICE READING?

## BOOKS FOR KIDS TRAINED AND APPROVED VOLUNTEERS ARE HERE TO HELP!

As part of our virtual mentor program, a trained Books For Kids volunteer will listen to your child read, review vocabulary words and help encourage your child to become a better reader. In addition, Books For Kids will also deliver a brand new book to your child's classroom each month!

The program is FREE and offers a flexible schedule that is set by you and your assigned volunteer. Help your child read to succeed! Visit <https://flbooksforkids.org> to register your child today!
