Dear Valued Vendor with the School District of Manatee County,

As a valued vendor of our school district we would like to take this time to thank you for your services and products you provide to the students and employees of the school district. We would also like to take this time to remind you of a very important safety and security requirement your company must comply with to continue providing those great services and products to our schools.

Upon signing your vendor contract you were and are required to ensure that you are in compliance with the Jessica Lunsford Act. Please review the statement below:

The School District of Manatee County and State of Florida, requires all Vendors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Any vendors, individuals or entities under contract with the School Board and are required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School District for any claims made against the School Board related to the failure to comply with Section 1012.465 and Section 1012.32 Florida Statutes. For information on JLA requirements and how to comply visit: <http://www.manateeschools.net/>

The Contractor information sheet, Addendum A, must be completed and returned with the signed contract where the contractor is performing services on any District property.

The school district has recently created a Vendor Verification Database to house vendor badge information so that schools can verify with ease and efficiency who has access to the campus while students are present. Due to heightened security measures at all of our schools, it is imperative that all vendors that provide services and products to our schools are in compliance with Jessica Lunsford Act. With the new Vendor Verification Database, we have discovered some vendors to be either out of compliance or have not properly updated their employee information. Please complete Addendum A that is enclosed and return to the Human Resource office either by fax (941) 708-8878 or mail to P.O. Box 9069, Bradenton, FL 34206 as soon as possible. If you need for your employees to be screened or rescreened please follow the directions for our provider, FieldPrint, which is also enclosed. Please note that a vendor employee with an expired badge or no badge at all will NOT be admitted on our school campuses.

We appreciate your understanding and compliance with this very important requirement that ensures the safety of all of our students. If you have any questions you may contact the following district staff:
