

The Athletic Director's Mission Statement

Through Palmetto High athletics, student-athletes will learn to take responsibility for personal growth by developing loyalty, pride, integrity and commitment. Our program is designed to provide the opportunity for all student-athletes to exhibit a progression of physical skills and knowledge associated with their chosen sport. Application of these skills and knowledge to new situations and a variety of learning formats. Our expectation is for Palmetto High School student-athletes to apply these skills and knowledge to new situations and a variety of learning.
