

CHAMPS Status Check

Teacher: _____ Date: _____ Time: _____

Observer: _____ Class: _____ Activity: _____

Key question: What are we looking at or for in student behavior?

Strengths of student behavior	What worked for student behavior
List observed strengths in student engagement, participation, and alignment with expectations.	Describe how structure, expectations, and teacher behavior might have contributed to these strengths.
Challenges of student behavior	What's needed for student behavior
List observed concerns with student engagement, participation, and alignment with expectations.	What adjustments or interventions might be tried to address these challenges?

What lesson, activity, or strategy will we try next, and what will we use to analyze its effects?
