

## BRMS COVID INSTRUCTIONAL CHANGES

Attention parents:

Due to the Covid-19 pandemic and the ability for each of you to select the instructional model that best serves your family, we've had to make drastic changes to the master schedule. In order to accommodate all requests. We have 40% traditional, 27% hybrid & 30% eLearning, we have adjusted the availability of course offerings in each learning modality. When you view your child's schedule, the following may clarify the options:

1. We used only one course code for each core course offering, math & language arts (advanced) and history & science (regular). All courses will be taught at a high level with scaffolding support for students who may struggle.
2. We had to incorporate more mixed level classes in intensive courses and PE.
1. We were not able to schedule STEAM students as a team. STEAM students will have one or more STEAM teacher(s) in each of the learning modalities.
2. Certain electives are only offered in a specific learning modality. The table below indicates the courses available in each:

<b>eLearning</b>	<b>Hybrid</b>	<b>Traditional brick &amp; mortar</b>
Physical Education-Coach Dallman (all grades)	Physical Education-Coach Gregorich (all grades)	Physical Education-Coach Lahey & Coach Jessup (all grades)

3. The elective offerings were designed to provide more of an appreciation of the arts due to Covid restrictions.
4. We had to assign teachers more than one grade level or course offering in each modality.
5. We were able to maintain all Honors' classes in each learning modality.

While these changes may be temporary, we wanted you to be aware of them. It's been an extensive transition, but we are confident all students will receive a well-rounded education!

If you have any questions or concerns, please feel free to contact your child's counselor, Mrs. Gillen (A-L) or Mrs. McWilliams (M-Z) at 751-7080.
