 - 2024-2025 Livestock Facility (showed pictures of the barn and covered the details of the barn)
 - 2024-2025 Green House (showed pictures of the greenhouse and covered details of the greenhouse)
4. Projected School Grade
 - PHS projected grade is a C. The state changed the way they calculate the school grade. The state changed the tests and the amount of points schools can earn for school grade. State added in learning gains in 4 different areas and now the grade is calculated out of 1000 points. Review the different areas to increase to increase school grade. Acceleration and Graduation rate are always a year behind. PHS is 31 points away from being a B school rated school.
5. Important Information:
 - SAC Openings: Will vote for open positions.
 - Officer Voting
 - Vote in April
 - SAC Balance : \$1192.67 – need to use it by end of year.

6. School Tour/Front Office:

- Qantas gave the group a tour of the front office and the meeting was adjourned after the front office tour.
