Dear Students, Parents, and/or Guardians:

Palmetto High School is dedicated to the safety and education of every student on our campus. As we continue to evaluate our school procedures, we have identified a need in our physical education classes. Therefore, starting with the upcoming school year, we will require students who are enrolled in any PE class to wear a uniform. The implementation of a PE uniform system will provide additional safety for all students.

Students who are **scheduled** into PE for the 2019-20 school year will be able to order their uniform (shirt and shorts) online at:

[https://www.bsnteamssports.com/v3/shop/team\\_shop/PalmettoPE#/](https://www.bsnteamssports.com/v3/shop/team_shop/PalmettoPE#/)

We appreciate your cooperation and support with this new policy. Please feel free to contact us with concerns or questions.

Educationally yours,

Carl Auckerman  
Principal
