Meeting was called to order by Maribeth Mason, Principal.

Minutes from September meeting were reviewed. Motion to accept by April Robinson; second by Diane McCoy.

Mrs. Mason reviewed the process of electing members for SAC based upon the bylaws. Nominations were received through forms sent home with students and posted on our school website. A "Forms" document was created to share w/ attendees tonight to collect votes. Once other nominations were offered, attendees were provided the link to the form and votes were submitted to the administration. Members were selected based upon the racial percentages of the school (6 Hispanic, 3 Black and 2 White). Members were elected by peers of the same group (staff to staff, parent to parent, etc..).

Mrs. Marshall provided a CoVid update – sharing that we've had 35 positive cases since the beginning of the school year. There are many less students absent and the protocols of documentation required is still being followed and enforced. We only have 11 students on the mask opt-out list, so the large majority of our students (and staff) are wearing masks as preventive measure.

Mrs. Mason talked about the Referendum Vote for school funding. Voting is Nov. 2nd. We viewed a promotional video on the district website. Mrs. Mason highlighted the areas in which these funds have helped our schools and teachers. She emphasized the importance of promoting that this is not a new tax, it is a renewal. It is very important that all voting citizens cast their ballot on or before Nov. 2nd. The referendum material is on the school district's website; the school is also posting signage on the electronic billboard.

There were no questions or concerns at this time. Meeting was adjourned by Mrs. Mendoza.

Next meeting is Nov. 2, 2021.
