Happy First Day of School!!!

I hope you all had a great morning and afternoon and that the "Explore Haile Night" helped ease the stress and anticipation for both your student and you! I am here for any questions you have in the parent and PTO realm, and can't wait for you to experience our wonderful school!

Jenn, Nadia and I are so excited to serve on this year's PTO board and just wanted to take a minute to thank you for providing your email addresses to us. We are looking forward to an amazing year supporting Haile as a school, the administration, teachers, and giving all of the students a memorable middle school experience!

I would like to formally invite you to our first PTO meeting next week, Tuesday, August 15th at 5:30-6:30 in the media center, which is directly opposite of the administrative office. Just for calendar purposes, our meetings the following months will be from 5:30-6pm.

Our first meeting will be a meeting for all parents to brainstorm, give ideas, and vote on what our activities and fundraisers look like for this year. This will allow everyone to see what committee's and volunteers are needed, and the formation of those committees and sign ups for volunteers will be completed at meetings following August 15th.

Immediately following the PTO meeting, the SAC meeting will commence from 6:30-7pm. Again, the SAC is where more "serious" items are discussed and really where the parent's voices are heard the most. We are striving to honor your and our time and keep both PTO and SAC meetings on schedule with a clear ending time. There are a large number of parents that participate in both meetings, so on behalf of Nadia Wood, I would like to invite you to stay for SAC as well.

Thank you again for taking the first step in getting involved at Haile Middle School and making sure you are a part of your child's memories, even if it now has to be done from a different angle than elementary school! I look forward to seeing you all on Tuesday night, August 15th at 5:30pm in the media center!
