(941) 751-6550 x 2283

Updated June 2017

DISCLAIMER

The Mental Health Services Directory was developed to provide Manatee County parents with community mental health resources that are available for their children. Providers are placed in the directory at their own request and are licensed by the State of Florida. The Manatee County School District does not endorse any one provider over another, and we encourage parents to diligently research potential mental health providers prior to initiating a therapeutic relationship.

TREATMENT SPECIALTIES KEY
