

COLLEGE MAJORS

How do I know what is right for me?

How do I distinguish between college majors that sound interesting and those that may be a better fit for me?

Check out these resources on College Board's Big Future website including:

- Learning about different [majors](#) by career categories
- Complete the [Career Finder](#) activities to find majors/careers that match your interests
- Explore other information on Big Future, including [videos](#) addressing topics such as *How Important is Your College Major*, *How Do You Find a College Major*, *How Common is it to Switch Majors* and more!

(There are more than 200 college/career planning videos, but you can use the filter to select topics)
