Course Override

Manatee High School recommends students for courses based on teacher recommendations, minimum grade requirements, and/or other necessary pre-requisites.

Parents/guardians and students wishing to override these pre-requisites must sign this letter and return it to the Guidance Office.

Parents/guardians and students should realize that before signing this override that **the student will not be permitted to drop the course after the school year begins.** If, for whatever reason(s) the student begins to fail, he/she must remain in the course and receive whatever grade is earned. It is important to note that students who fail courses may not be able to earn the necessary credits required for graduation.

Completion of this form does not guarantee placement into the course(s) below. Priority is given to students who meet the pre-requisites.

We choose to enroll _____ Current Grade: _____

We realize the course(s) has/have *not* been recommended by the school.
