- Courses required for graduation are indicated above. **Failure to register for and pass a required course may prevent a student from graduating and participating in the graduation ceremony.**
- Dual enrollment courses are college credit bearing courses. The grades earned in these courses will appear on both the student's high school transcript, and on the student's college transcript. Please also note that some courses may require the student to pass the final exam in order to pass the course.
- The student will receive a syllabus from the instructor during the first week of class outlining college-level course expectations. This syllabus is to be shared by the student with their parents, as a reference to the expectations of each course.
- Students who earn *less than a "C"* in a dual enrollment course or withdraw or are withdrawn from a course will not be eligible to participate in dual enrollment the following semester.
