

## **MHS E-Newsletter January 7, 2024**

**Welcome Back Students** - We hope all students and families had a wonderful holiday. Students return to school on Tuesday, January 9th. Students will report to their 1st period class - any students with schedule changes will receive that information in 1st period.

Monday, January 15th is Martin Luther King, Jr. Day - all school sites closed.

**College Information Night for Juniors** - All juniors and their parents/guardians are encouraged to attend the MHS College Information Night on January 18th. Information about how/when to apply to college, steps to take now to prepare, SAT/ACT testing, paying for college and more will be covered. This is valuable information to help students get ready for the college admission experience. The program will be in the MHS Davis Theater beginning at 6:30pm .

**Seniors - FAFSA and Scholarship Time** - The FAFSA - Free Application for Federal Student Aid - for the Class of 2024 is open, so get it done as soon as you can . FAFSA determines eligibility for federal aid to help pay for college -- any type of college including technical school, two-year colleges, or four-year universities. The district is holding a series of FAFSA Workshops in January and February to help students and their families complete the FAFSA. Click here to see all dates and locations (the workshop at MHS is January 25th). We encourage seniors/parents to start the application and if you need assistance, plan to go to one of the workshops. Seniors, it's also "scholarship season"! Many local and regional organizations now have their scholarship applications available to seniors. Check the MHS Scholarship List (posted on the College and Career Center page of the school website, under the "Paying for College" section) for information, deadlines and how to apply.

**Winter Sports Schedules** - Winter sports are in full swing. Support our student- athletes! Click here for schedules.

### **Important Dates**
