## Title I Parent and Family Engagement Policy Summary

### 2024-2025

Dear Parents,

Thank you for taking the time to read this Parent and Family Engagement Policy Summary. Below are brief summaries of how Ballard Elementary plans to support parent and family engagement in the 2024-2025 school year.

Engaging parents in the education process is essential to improved academic success for students. Education is a responsibility shared by the school and the family throughout the student's school career in our district. Manatee County Schools will foster and support active parent and family engagement so that schools and parents work together as partners in educating children.

Thank you!
