## *The Principal's Corner*

Hello Seminole Family and welcome to the 20-21 school year. Our theme for this year is "Rise Above, Because YOU Can!" Although this is an unconventional way to start a school year, we are excited and hope you are ready to take this journey of a "new beginning" as well. As educators, we rose to the occasion during COVID 19 and will continue to prosper during this season. We are happy you chose to be a Seminole.

This year, we are continuing as a Title 1 School. Due to us having 77% of our students receiving free or reduced lunch benefits, this qualifies us for additional funding. Title 1 allows us the opportunity to provide more services and resources for our students and staff.

Success can only happen with the assistance of everyone. It is imperative your student is: prepared to learn, properly dressed, participating in their education, and punctual to school daily. There's a lot to learn at each grade level in preparation of graduation. WE believe every student can excel at their level of success when putting forth their best effort. Please encourage your students to do so daily.

My last important tips are to keep in contact with your student's guidance counselor and check the Focus Parent Portal periodically of your student's progress. Following through on these last tips will truly be beneficial to your student's success.

Again, we are excited about the school year and look forward to having an awesome experience as WE work toward reaching our goal. Please know we are here for you. Should you have any questions, concerns, and/or in need of support, please do not hesitate to contact us. Thank you for taking the time to read "The Principal's Corner" and as always, GO NOLES!

## Attendance

Reminder to parents: Absences need to be called into the Attendance line by 11AM, preferably the same day of the students absence. Students can only be excused by a parent's phone call or note nine times the entire school year. When those have been depleted, absences will not be excused unless documentation for the absence has been received. Any appointment documentation needs to be turned in to the attendance office. (Example: Dr. Note, Court, etc.)
