

SMART QUESTIONS TO ASK AT THE CAREER AND COLLEGE FAIR

When you attend the College and Career Fair, don't be shy! Walk up to the admissions rep, introduce yourself and let him or her give you the one-minute overview of the school. If you like what you hear, stay and ask more questions. In addition, the Career Representatives are working professionals who have donated their time to help you. Please take the time to ask them questions and don't forget to thank them for their help!

Questions for Colleges/Universities:

- Is your school especially well-known for any of its academic programs?
- What are the most popular majors at your school?
- What is the residential life like at your school?
- What kind of academic advising does your college provide?
- What sports and athletics are available and how can I find out what division I might qualify for?
- When are your Summer Open Houses?
- What is the average SAT/ACT score needed to be accepted?

Questions for Career Representatives:

- What interests and skills are needed for work in this field?
- What are the main responsibilities associated with your work?
- Would you advise someone to enter your career field?
- What do you like most about your job?
- In the future, do you think your organization will need more employees in this field?
- What kind of salary and benefits can I expect?
- What type of work schedule does this field require?
