

2022-2023 Parking Information

On May 1st, parking permits will go on sale for the 2022-2023 school year. This is for juniors and seniors only.

Parking permits will be sold completely online this year.

Directions for purchasing a parking pass are on the SDMC 2022-2023 LRHS Parking course in Schoology. All necessary documents can be downloaded and must be uploaded to this course.

The Schoology access code to this course is: ZMXN-Q8FS-NZHXJ

- Students can access this page by selecting 'My Courses' in Schoology.
- Select 'Join Course' on the right side.
- Type in the access code.
- Follow the directions to complete the submission of necessary paperwork and payment on RevTrak.
- Students must have a current Driver License (Not Learners Permit), Vehicle Registration and Insurance along with payment to be issued a permit.

Parking spots are limited. It is very important that if you plan on parking next year at LRHS that you complete all the necessary paperwork, submit your payment and clear all student debt.

Seniors will have top priority the first week of permit sales. After that week, permits will be sold on a first-come basis to juniors and seniors that have completed all the necessary paperwork, made the permit payment and cleared all student debt at the school.

Juniors can start the process during the first week of sales. However, they will not be given a seniority number until May 8th, after all seniors from the first week have been processed.

Please visit the parking course on Schoology, parking agreement and parking application for further information.

Parking permits cost \$60 and payment must be submitted through RevTrak.

NO REFUNDS WILL BE ISSUED
