Academic Calendar Purpose

Provides parents, students, staff and community members with key dates throughout the academic year:

- School start and end dates
- Breaks
- Early release dates
- Paid holidays
- District In-service dates
- Semester start and end dates
- State testing windows
- High school semester exam windows

Requirements for the 2022-2023 and 2023-2024 Calendars

- School cannot start before August 10th
(Unless an A District)
- 1st semester end must be before the Winter Break
- School year must include 180 student days

Rationale for Developing 2022-2023 and 2023-2024 Academic Calendars

With the K-12 ELA and Math B.E.S.T. Standards adoption, there is an increased need for professional development and time for collaboration. This is a major shift in instruction as we work toward preparing students for college and career. In order to support learning, four Early Release Wednesdays have been scheduled in the academic calendar. Shifts in State testing remain an unknown impact to the academic calendar.
