

# Johnson K-8 School of International Studies

Johnson K-8's extracurricular clubs and activities offer a variety of fun and challenging opportunities. For the 2019-2020 school year, clubs will be offered on various days of the week. Each student can join as many clubs as his/her schedule permits per week and work with those advisors on projects and activities about which they are passionate.

## CLUBS

CLUB NAME	DAY(S)	TIME	LOCATION
<b>BREAKFAST CLUB (YFC)</b> is a place where students can come to grab a snack, develop relationships with each other and with volunteer leaders, play games, and listen to a brief message about life and what they may be going through. Our volunteer leaders genuinely care about the students who come and participate, and our goal is to encourage them to be the best version of themselves.	<b>Fridays</b>	<b>7:45-8:15A</b>	<b>Covered Area</b>
<b>BUILDER'S CLUB</b> is an international student-led organization providing its members with opportunities to perform service, build character, and develop leadership.	<b>Tuesdays</b>	<b>3:30-4:15P</b>	<b>Rm 603 (Ms. Peters)</b>
<b>CHOIR CLUB</b> is designed to enhance the musical, creative and expressive qualities of all students. Musical opportunities are provided for every child to learn the basic skills of singing, playing and reading music, developing song repertoire, broadening listening skills and experiencing the interrelated nature of music with other cultures and content areas.	<b>Tuesdays &amp; Wednesdays</b>	<b>3:15-4P</b>	<b>Rm 412 (Mrs. Souto)</b>
<b>FRENCH CLUB</b> students will become familiar with French culture, music, poetry and many more activities.	<b>Every other Thursday</b>	<b>3:30P</b>	<b>Rm 631 (Mr. St. Jean)</b>
<b>MATHCOUNTS</b> is a competition team preparation meeting (math club) where students of all MYP grade levels are invited to explore math problem solving. MATHCOUNTS provides fun and challenging math programs for US middle school students to increase their academic and professional opportunities. MATHCOUNTS is a national enrichment, club and competition program that promotes middle school mathematics achievement through grassroots involvement in every U.S. state and territory.	<b>Once a week (day varies)</b>	<b>7:50A</b>	<b>Rm 419 (Mrs. DuLong)</b>
<b>NATIONAL JUNIOR HONOR SOCIETY (NJHS)</b> is an academic club that engages in community service projects throughout the year. Offers tutoring support in math, science, social studies, language arts, and world language classes.	<b>Tutoring: Mon. &amp; Wed. Meet: Fridays (as needed)</b>	<b>7:50-8:20A 8A</b>	<b>Inquiry Center (Ms. K. Clem) Rm 423 (Mr. Hennessy)</b>
<b>NEWS CREW (IB NEWS EXPRESS)</b> students have the opportunity to produce and star on the school's morning show. Students in 5 <sup>th</sup> – 8 <sup>th</sup> grades produce the morning show. Applications are available at the end of the school year for the following school year.	<b>Monday-Friday</b>	<b>8:00-8:30A</b>	<b>(Ms. Anderson)</b>
<b>RUNNER'S CLUB</b> students have the opportunity to run laps around the track in the mornings to earn tokens. Volunteers are always welcome and must sign in at the front office.	<b>Monday-Thursday</b>	<b>7:45-8:10A</b>	<b>Tracks (Coaches Philipp/Smith)</b>
<b>STUDENT AMBASSADORS</b> serve as representatives of the school. They assist with school events and prospective student tours. Student Ambassadors embody the IB Learner Profile and are role models in the school. Must apply to join.	<b>As Needed</b>		<b>Rm 114 (Mrs. Cooley)</b>
<b>STUDENT COUNCIL (SGA)</b> works to represent the student body. Officers are elected as leaders, and the group decides service projects and school initiatives to pursue.	<b>Every other Thursday</b>	<b>7:50A</b>	<b>Rm 426 (Mr. Powers)</b>
<b>PYP TECHNOLOGY STUDENT ASSOC. (TSA) – 5<sup>th</sup> Grade ONLY</b> is a national student organization created to develop skills in science, technology, engineering, and mathematics (STEM) as well as business education. TSA aims to develop leadership, academic, and business management skills in the workplace among students and leaders within the community.	<b>Mondays</b>	<b>3:15-4:15P</b>	<b>Rm 409 (Mrs. Sutton)</b>
<b>MYP TECHNOLOGY STUDENT ASSOC. (TSA)</b> provides student members the opportunity to explore a wide variety of STEM (science, technology, engineering, and math) career interest areas. The purpose of the club is to compete in over 35 events from CO2 dragsters to website design. Students also learn and demonstrate comprehensive leadership skills through proven models.	<b>Mondays and Thursdays</b>	<b>3:45-6:00P</b>	<b>Rm 401/605 (Dr. Jarrell/Mr. Bostic)</b>
<b>YEARBOOK CLUB</b> produces a historical record of the school year to provide a sense of pride among students and staff, serve as a community awareness and a public relations tool. In Yearbook Club, we design, promote, and sell the JMS Yearbook. Assisted by teachers, students use an online computer program to create pages, and are also primarily responsible for taking the pictures that will end up in the yearbook. Our main goals are to capture the atmosphere of Johnson MYP Program and include every student's picture in the book.			<b>Rm401 (Dr. Jarrell)</b>
