

Connect District Chromebooks to the Bus Wifi

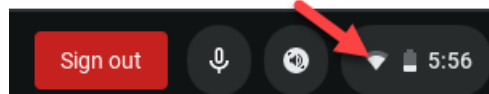

1. Turn on the Chromebook:

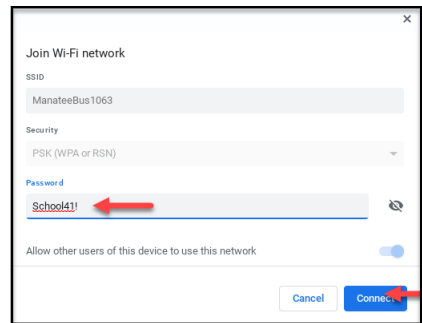

2. When powered on at the non-district location, select the bus wifi. This will be listed as “ManateeBus” plus the bus number:

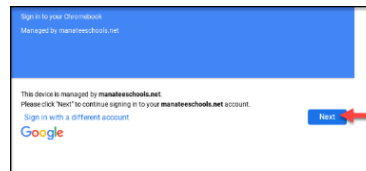

(If the network selection list is not displayed click on the wifi icon:)

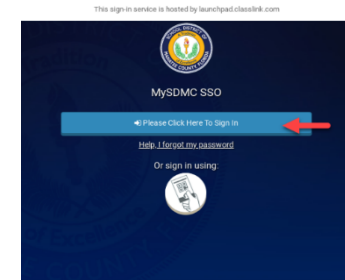

3. Enter the password for the bus network: **School41!** and select “Connect”:

4. Select “Next” on the Chromebook login screen:

5. Select “Please Click Here to Sign In” on the MySDMC SSO window: Enter

6. Enter your district username and password (*the username and password that you use to login to computers at school*).
