

BRADEN RIVER MIDDLE SCHOOL

6th GRADE REGISTRATION FORM 2020-21

PLEASE PRINT			
Student Name: _____	Date of Birth: _____		
(Last)	(First)	(Middle)	

CORE CLASSES

5th grade teachers: Please recommend one course (with your initials) for Language Arts and Math. Students with a 3 or higher on the FSA should be recommended for Advanced level classes if the student consistently earns B's or higher in the associated core class. Advanced classes cover the same content but include more rigorous coursework.

_____ Lang. Arts 1	OR	_____ Lang. Arts 1 Advanced (Level 3+ on FSA AND 3.0 GPA in L.A.)	OR	_____ Lang. Arts 1 ESOL
_____ Math 1	OR	_____ Math 1 Advanced (Level 3+ on FSA AND 3.0 GPA in Math)		

Students will be placed in Advanced courses based on **2020 FSA Scores** and the above criteria.

ADDITIONAL REQUIRED CLASSES FOR 6TH GRADE

- Comprehensive Science 1
- World History
- Physical Education
- Coding Course (unless enrolled in Intensive Reading or TSA)
- Intensive Reading and/or Intensive Math (determined by FSA Reading/Math scores)

ELECTIVE CHOICES

All 6th grade students will participate in an exploratory program, which will introduce them to all elective offerings. Students will select their top three choices after this exploratory period, and classes will be assigned based on availability.

Beginning Band	Beginning Orchestra	Technology
AVID (By invitation only)	Art / Family and Consumer Science / Business	TSA

STEAM TEAM

The STEAM Team is BRMS's gifted and advanced team. We have two main goals:

- 1) to introduce and encourage student interest in the STEM fields (Science, Technology, Engineering, and Math) while also ensuring students understand the important role of the humanities;
- 2) to prepare students for success in top-level academic courses and to acquire skills, knowledge, and the penchant for self-directed learning needed for success at colleges, universities, and advanced technical schools. These courses include high school credit classes in the 7th and 8th grades and college level classes in high school (A.P., I.B., etc.).

The Technology/Coding course must be taken as one of the additional required courses to participate in STEAM.* To be considered for and remain in STEAM, a student must have a score of 3+ on the FSA ELA and Math; A-B grades on report cards, good behavior, complete all assigned work, and be responsible with technology. Slots are limited, and an application must be completed. **To apply, please go to brmsstem.weebly.com. If you have questions, please contact Chris Brown at brown1c@manateeschools.net.

Please plan to join us for our **New Student Orientation on Tuesday, April 28th from 5:30-7:30PM** at Braden River Middle School. You will receive very important information regarding your student's transition to middle school.
