Florida FFA Interest Survey

FFA is the National premier student leadership club in Agriculture and a part of local Agriculture education. As the advisor, I encourage all of you to participate in FFA. There is something of interest for everyone in FFA. In Florida, student dues are paid by a grant so all Agriculture students can participate in FFA without the monetary barrier. It is up to you to participate by coming to FFA meetings to be a member in good standing. You can even run for an office in the leadership team. More information is shared in Agriculture class and on the Agriculture Schoology course.

Mrs. Beach is the Agriculture elective teacher and the FFA Advisor. FFA meets on Thursday mornings 8:30-9:00 am except the first Thursday of the month when the meeting is after school from 4:15-5:30pm.

First and Last Name _____

Date _____ Per _____

I am interested in (circle all that apply)

Plants vegetable gardening flower gardening houseplants

Landscape plants designing gardens and landscapes citrus trees

Animals chickens ducks turkeys
