## Florida 4-H (Head, Heart, Hands, and Health)

4-H is the nation's largest youth development organization. Over 230, 000 members in the State of Florida help to make up the community of 6.5 million young people across America. 4-H is a non-formal practical education program for youth and is a program of the Florida Cooperative Extension.

4-H stands for "Head, Heart, Hands, and Health". These represent the areas of development that 4-H aims to promote. The Florida 4-H Youth Development Program uses a learn-by-doing approach and caring adults to help youth gain the knowledge and life skills they need to be productive, responsible citizens.

To achieve its mission, 4-H accesses the expertise and resources of the University of Florida and a nationwide network of Cooperative Extension Service faculty and staff.

### Requirements to join 4-H:

- Attend our 2 monthly meeting after school
- Desire to help others
- Complete the on-line enrollment
- Choose at least one project area to complete for the year

Meetings are held the 2nd and the 4th Tuesday of each month in Portable 5 at Braden River Middle School.
