

## **Focus Parent Portal**

The Manatee County School District's FOCUS Parent Portal allows parents/guardians to monitor school grades, attendance, and receive their child's progress report and report card online. Progress and report cards are not sent home with students.

Please complete the "Parent Portal Access Authorization" form, in order to access this tool online. This form is also located on the district website and in the school's office.

Once you have completed and submitted the authorization form to the school, you will then set up an account under FOCUS on the District website: <http://www.manateeschools.net>. Our Portal Contact will verify your account and authorize access.

If you have any questions or concerns, please contact Alison Cooper at 941.776.4040 ext. 79253.
