# GENERAL SCHOOL INFORMATION

## Controlling the Spread of Communicable Diseases

The School Board recognizes its responsibility relative to student, employee, and visitor health and safety. In order to protect the health and safety of the students, District personnel, and the community at large, the Board shall follow all State statutes and Health Department regulations SECTION VI IMPORTANT POLICIES AND PROCEDURES 58 which pertain to immunization (see Policy 5320) and other means for controlling communicable disease spread through normal interaction in the school setting.

The District will follow directives from the Florida Department of Health in Manatee County regarding notification to that department when a student appears to have, or have been, exposed to a communicable disease, as well as directives from the Manatee County Health Department regarding whether or not the student should be excluded from school for a prescribed period of time.

Additionally, the School Board under Policy 8450, can enact measures during outbreaks of contagious diseases or pandemics for the protection of students, staff and other employees that prevent the spread of communicable diseases. Such measures include the mandatory wearing of face masks for students, employees, and visitors while on school property, facilities, school buses and/or engaged in school activities.

See <https://focus.manateeschools.net/focus/>

## Progress Reports/Report Cards

All progress reports and report cards will be distributed electronically through FOCUS each quarter. If access electronically is not possible please contact the school.

## Visitors

Communicable disease could cause changes. All visitors must sign in through the Raptor system and obtain a Visitor's Pass from the school office.

**You must have a picture I.D. to obtain a visitor's pass at any time.**

### **PTO/SAC Meetings**

Please see Nolan's Website for proposed dates and time.

### **IN LOCO Parentis**

State and federal law recognizes that teachers and school administrators have a need to stand in the place of parents over children entrusted to them at school. This is a concept called in loco parentis. While this power is not equal to a parent's power over a child, it permits school personnel to exercise

a degree of supervision and control over students that could not be exercised over free adults. This concept is responsible for the fact that school personnel can search without a warrant based on reasonable suspicion and are not held to the higher standard of "probable cause" by which law enforcement is bound. It is also responsible for the fact that school personnel can interrogate a student without providing him or her with Miranda warnings or allowing the student to call a parent or attorney.

## **ATTENDANCE and OTHER PROCEDURES**

### **YOUR ATTENDANCE CAN AFFECT PARTICIPATION IN ATHLETICS OR EXTRACURRICULAR ACTIVITIES**

Communicable disease could cause changes

Florida Compulsory School Law (F.S. 1003.21) states all children who are either six years of age (or who will be six years old by February 1 of any school year), but who have not attained the age of 16 must attend school regularly during the entire school term. Students between 16 and 18 are also within compulsory attendance age, unless a formal Declaration of Intent to Terminate School Enrollment has been completed and signed by the parent and an exit interview is conducted at the school.

- I. You are expected to be on time and in school for the entire student day, each school day.
- II. On the day of your absence, a parent or guardian should call the school to explain the absence. The absence will be excused if it meets the criteria outlined below. The parent or guardian must contact the school within 48 hours of the absence or appropriate documentation is required within 5 days. If this contact is not made, the absence will be recorded as unexcused.
- III. If you are continually sick and repeatedly absent from school, you must be under the supervision of a physician in order to be excused from attendance. Excessive absences will lead to a parent conference, referral to the District's Child Study Team, referral for social work services, referral to Truancy Court, and the involvement of the State Attorney. Parents who fail or refuse to cooperate with the school in the matter of regular school attendance for their child may be prosecuted for truancy by the State Attorney's Office.

### **Tardies to Class including Homeroom**

Tardies to class including Homeroom or any other class will be scanned into FOCUS. The third and subsequent unexcused tardy will result in a referral each time. This will reset each quarter.

### **Leaving Early from School**

**No student will be permitted to be picked up and signed out between 3:30 PM-4:10 PM and 2:00 PM-2:40 PM on early out days.**

Please be aware, **ONLY those listed on the BIO form will be allowed to pick up the student.** The parent/person picking up the student must show a PHOTO ID before we release that student to the adult. This is a district mandate per **NCLB Safe Schools Act**.

You must send a note with your child explaining why he/she will need to be picked up early from school. The student needs to bring the note to the attendance office and give it to the attendance clerk before first period begins. The student will then be issued a pass with the time indicating when to report to the attendance office.

It is important that the note contain the following information: reason for the leaving early, time and date the student needs to be at the office to be picked up, a phone number so we can contact you if we have any questions, and a parent signature. Students will **NOT** be called out of class to the office until a parent/guardian is physically in the office to sign the student out unless a note was provided prior.

Any student being signed out as sick but did not go to the clinic will be coded as an unexcused early departure until a doctor's note has been provided.

### **Make Up Work for Absences/Discipline Absences**

After an excused absence, you must arrange with your teacher for any make-up work. You have the same number of days you were absent to make up your work. This rule does not apply to some long term assignments. (A long-term assignment is when a student has 10 or more days to complete the work.) These long term assignments will be due on the specified date unless excused in writing by the teacher or principal. It is your responsibility to make these arrangements and to submit the make-up work within the deadlines set by the teacher(s). You do not have the right to make up work if your absence was unexcused.

It is the student's responsibility to obtain all missing assignments, test and classwork during their absence. The following means are available:

1. Utilize Focus and Schoology
2. Contact a fellow student to obtain class work.
3. Contact a teacher via email or phone.

For Frequently Asked Questions about attendance refer to Manatee County schools Code of Conduct.

<https://www.manateeschools.net/studentcodeconduct>

### **Morning and Afternoon Announcements**

Morning announcements will be broadcast each day via school closed circuit television.

The afternoon announcements will be broadcast via the school paging system. Students are required to be quiet and listen during announcements.

**No Deliveries** will be made for students in school to include items such as back packs, lunch, phones, computers, homework, projects, etc. . .

### **Outside Drinks**

Beverages brought on campus are limited to water. Beverages purchased by parents on the way to school should be consumed prior to students exiting the vehicle. Students will be asked to dispose of any beverages that do not meet these requirements prior to entering the building.

Parents may continue to pack lunches for students. Please be reminded that the Dietary Guidelines for Americans and our School District Wellness policy recommend, and limit beverages served at school to water, milk and 100% fruit and vegetable juice.

### **Change of Address/Phone/Email**

Any student who changes residence or phone number(s) or email during the school year should report the change to the attendance office and the registrar as soon as possible. Attendance Ext. 2008, Registrar Ext. 2004

### **Video Security on School District Property:**

In order to maintain a safe environment, the District has installed and will utilize video surveillance systems on school district property which includes busses.

### **Student Identification Badge:**

All students are required to wear an I.D. badge on a lanyard at all times when you are on the Nolan Middle School campus. Replacement of I.D. Badges cost \$5.00 or \$50 COLT CASH and may be purchased daily in

the morning at the Front Office. Your I.D. badge is required each day to be worn on a lanyard around your neck. Your ID is for school safety and will be used to purchase your lunch every day, obtaining textbooks, checking out library books, and other events.

ID's cannot be altered or destroyed. If the ID is damaged or destroyed, the student must purchase a new one at the cost of \$5.00 or \$50 Colt Cash.

ID's are required on the bus and at the north and south doors upon entry to the school.

Students receive a warning for the 1<sup>st</sup> ID violation and all subsequent ID violations will result in a referral. This will reset every quarter

### **Student Planner**

The first student planner will be given to Nolan Middle School students free. Planners are used to record homework and other communication for the student and the parent. The planner also contains your child's COLT Cards. If a student loses their planner a replacement will cost \$5.00 while supplies last. If supplies run out students will need to visit an office supply store and purchase a planner for their child if they wish to use a planner. Since COLT Cards are in the planner, the student will need to go to the office to obtain another Colt Card, the first two lines of that quarters COLT Card will be signed for a replacement Colt Card which will result in loss of privileges. No Colt Card replacement will occur after Progress Reports. Students must wait until the following quarter to purchase a new one.

### **Hallway Passes**

Students are not allowed in the hallways without a pass.

### **Use of Office Telephone**

**No student will be called out of class to the telephone except in case of an emergency.** Please attempt to conduct all personal business at home before leaving for school. Parents should try to refrain from calling to leave personal messages for students except in the case of an emergency. **Students MAY NOT receive or make calls or text messages on their cell phones during the school day. Students need to use the office phone to call home. They may not use their device without adult permission.**

Comply with the cell phone policy. If you need to reach your child in an emergency during the school day, contact the front office. Because cell phones and all other forms of electronic communication are to be turned off and put away out of sight once students are at school, parents should not text message or phone their children during the school day.

## **CLINIC SERVICES**

Communicable Disease Information will be shared when necessary

The goal of your school health staff is to provide the best possible care for your child in the event of illness or injury while at school and to promote good health and prevention of disease. The nurse is available to assist families and students with various health issues or to refer them to community resources. Please feel free to discuss any special needs your child may have that would require care and attention while at school. If you have any health-related questions or concerns, please call the clinic during regular school hours at 751-8200 ext. 2021.

**NOTE: Parents please remind your child if they text a parent during school hours about being sick and the parent shows up to pick up the student without the clinic knowing the child is sick, this will result in a disciplinary consequence for the student.**

## Medication Policy

Taking legal medications (prescription drugs that have been prescribed for you or over-the-counter drugs) at school, on a school bus, at any school activity, or on any field trip must strictly comply with this Medication Policy. This policy requires the following:

1. You should make every effort to administer medications at home during non-school hours.
2. All medications (including over-the-counter medications) must be prescribed by a licensed physician and must be retained in the school clinic.
3. For each medication to be administered, your parent must provide the principal or clinic staff with a written statement giving the principal or the principal's designee permission to assist in the administering of the medication. The written statement must explain the reason it is necessary for the medication to be provided during the school day. The written statement shall be on a Medication Authorization Form which can be obtained from the school's clinic and must be signed by both a parent or a guardian and the physician before medications can be administered at school.
4. You may not transport medications to school or be in possession of any medications while on school property.
5. An authorized adult must bring the medication to be administered to the school's clinic and deliver it along with a completed Medical Authorization Form.
6. Possessing medications prescribed to others is illegal and considered a Level 3 offense. h. Students with any of the following medical conditions may carry and self-administer the medications or supplies listed below to attend to their conditions while at, or in transit to or from, school or school-sponsored activities, if the school has been provided written parental and physician authorization in advance:

Student's Medical Condition: Student May Carry and Self-Administer:

**Life-threatening Allergies or Asthma** An epinephrine auto-injector

**Asthma** A metered dose inhaler

**Pancreatic Insufficiency** A prescribed pancreatic enzyme supplement

**Diabetes** Diabetic supplies, equipment, and specific food items identified in the written authorization along with a description of the activities the student is capable of performing without assistance, such as blood-glucose level checks, urine ketone testing, administering insulin, and treating hypo- or hyperglycemia

## SCHOOL DRESS CODE

See Student Code of Conduct: <https://www.manateeschools.net/studentcodeconduct>

You are expected to dress appropriately for school and for the business of learning with proper attention given to personal cleanliness, grooming, and neatness. If your personal attire or grooming disrupts educational activities and processes of the school, or is a potential safety hazard, you will be required to make the necessary alterations to such attire or grooming before entering the classroom or you may be assigned to In-School Suspension (ISS). If you fail to meet the minimum acceptable standards of cleanliness, neatness, proper fit, safety and decency as determined by the principal or designee and as specified in the District Code of Student Conduct, you will be subject to appropriate disciplinary measures. As per F.S. 1006.07(2)(d)(1), you are additionally prohibited "from wearing clothing that exposes visible underwear or body parts in an indecent or vulgar manner or that disrupts the orderly learning environment."

Apparel that violates this dress code will result in your removal from the regular school environment until acceptable apparel may be secured. Students who violate the district's dress code policy will be subject to the following consequences in addition to other appropriate administrative action:

- a. For a first offense, you shall be given a verbal warning and the school principal or designee

shall call your parent or guardian.

- b. For a second offense, you are ineligible to participate in any applicable extracurricular activity for a period of time not to exceed 5 days and the school principal or designee shall meet with your parent or guardian.
- c. For a third or subsequent offense, you shall receive an in-school suspension pursuant to [F.S. 1003.01\(5\)](#) for a period not to exceed 3 days. You are also ineligible to participate in any extracurricular activity for a period not to exceed 30 days, and the school principal or designee shall call your parent or guardian and send the parent or guardian a written letter regarding your in-school suspension and ineligibility to participate in extracurricular activities.

If you continue to wear articles of clothing or other prohibited items that you have been specifically asked not to wear, your discipline infraction will be considered defiance and not a dress code violation. The school principal or designee will be the final judge about whether your clothing is appropriate for school, creates a climate that is disruptive to learning, or is a potential safety hazard. Principals, faculty, and staff members will enforce the dress code. Individual schools may have additional requirements if supported by a majority of School Advisory Council (SAC) members, and if parents are notified in writing of the changes.

***The following apparel or items are NOT allowed at school:***

- a. Sunglasses\*
- b. Hats, visors, bandanas, or other head apparel\*

## **Nolan's BYOD and Technology Expectation and Usage Policy**

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. Bring Your Own Device (BYOD) encourages students to bring their own technology devices to school to assist their learning experiences. This document provides the expectations of Nolan regarding technology use at school. Please note that students who cannot bring in outside technology will be able to access and utilize the school's equipment. **No student will be left out of our instruction.**

**Internet:** The only internet permitted is the Nolan MANATEE CONNECT Network unless otherwise directed by the teacher. **Hot spots or any other internet access other than Manatee CONNECT are NOT permitted to be used at any time.** Nolan's network filters will be applied to one's connection to the internet and any attempt to bypass them or infect the network program designed to damage, alter, destroy, or provide access (hacking) to unauthorized data or information is in violation of the Acceptable Use Policy and will result in disciplinary actions. *All technology use is at the discretion of the administrator or teacher.*

**Security and Damages:** Responsibility to keep the device secure rests with the individual owner. Manatee County School District is not liable for any device lost, stolen, damaged, or confiscated on campus. If a device is stolen or damaged, it will be handled through the administrative office similar to other personal artifacts that are impacted in similar situations. It is recommended that skins (decals) and other custom touches are used to physically identify your device from others. Additionally, protective cases, security codes and 'find me' apps are encouraged. The student takes full responsibility for his or her technology device. The school is not responsible for the security nor damage of student-owned technology. Parents send, and students bring such items to school at their own risk

**Technology Student Agreement:** The use of technology to provide educational material is not a necessity, but a privilege. A student does not have the right to use his or her laptop, cell phone or other electronic device while at school except when approved. When abused, privileges will be taken away. When respected, they will benefit the learning environment. Agreement includes:

- The technology must be turned off while on school campuses and while riding school buses.
- Devices may not be in the bathrooms outside of a backpack at any time.
- The technology may not be used to cheat on assignments or tests, or for non-instructional purposes.
- The student accesses only files on the computer or internet sites which are relevant to the classroom curriculum. Printing from personal devices is not possible at school.
- The student complies with teachers' request to shut down the computer or close the screen.
- The school district has the right to collect and examine any device that is suspected of causing problems or was the source of an attack or virus infection.
- **No texting, No Photos/Videos, and No Social Media** unless approved by the teacher for instruction.
- **Not used to contact parents/guardians/etc. without permission.**
- **No devices or technology is to be used in the hallways. This includes listening to music on phones with earbuds. Earbuds, headphones, etc. must be placed in backpacks and not visible.**
- **All devices are to be placed in backpacks when not being used in a classroom. Devices are not to be carried on person.**
- A student is not permitted to use another student's electronic device(s) or electronic accessories.
- External speakers are not permitted at school unless teacher permission is granted for a special project.

**Understand** that any of the above violations are unacceptable and may result in the loss of my network and/or technology privileges as well as other disciplinary action. An administrator or teacher may ask you to surrender the device until you or your parent come to retrieve it. Refusal to surrender the device will be considered defiance and will result in appropriate administrative action. Nolan Middle School follows the SDMC Student Code of Conduct regarding the inappropriate use of technology.

**Technology Parent Agreement:** My student will be subject to discipline for texting during the school day without teacher permission. **I also understand that if my child is sick, he/she MUST go to the clinic to call home.** As the parent / guardian of this student, I understand that although my student's teacher will

encourage and enforce proper device usage of technology, however, it is my responsibility to check time stamps and social media usage, to assure that my student is correctly using their equipment and time in school. Also, I understand that calling or texting my student during school hours is not allowed.

**To Opt Out of the Nolan Technology Code of Conduct:** In order to opt out of Nolan’s BYOD and Technology usage contract please send in a letter within the first 14 days of school. Please know that opting out means your student will not be able to use/possess any personal technology devices at school. Nolan’s technology contract pertains to both BYOD and school owned devices.

**NOTE: See the School District of Manatee County Code of Student Conduct for other Policies regarding electronics and usage.**
