Additional items:

Individual teachers may request items particular to their class and/or wish list items.

Students will receive a handbook with our school rules and expectations the first day of school. Paper agendas will not be given out this year, as our students will be using Schoology as a way to keep track of classroom assignments and homework.

Student Technology:

BRMS is a Bring Your Own Device (BYOD) school; therefore, if students would like to bring in their smartphones, tablets, or laptops to use at school they are welcome and encouraged to do so. However, they must take responsibility for the use and safe keeping of those items.
