# Credit Acceleration Options

- ✓ Range of options to earn college credit including Advanced Placement and Dual Enrollment
- ✓ The right choice will not look the same for all students!
- ✓ Family Discussion and Future Planning
- ✓ Counselor's Role in Decision Making Process

# Factors to Consider

Student's Academic  
Strengths

Qualifications  
(GPA, Test Scores)

Personal  
Responsibility

Time  
Commitment

Transportation

Transfer of  
College Credit

# Student Expectations

- ☑ Dedicate time over the next month to think about plans for your future.
- ☑ Understand that college level courses require college level planning.
- ☑ Follow all deadlines and meet the requirements that are set by the post-secondary institutions.
- ☑ Each step in the process may require assistance from your family and/or counselor.

**PROCRASTINATION =  
LOST OPPORTUNITY!**

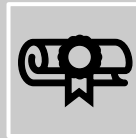

# Advanced Placement (AP) Information

A series of horizontal lines in shades of gray and white, extending from the left edge of the slide and ending under the title area.

# What is Advanced Placement (AP)?

Nationally standardized, college-level curriculum developed by College Board in over 30 subject areas.

Opportunity to earn credit for college by achieving a specific score on an AP exam at the end of the year.

Exams are scored on a scale of 1 -5. Typically, a Level 3 or higher earns credit.

AP Classroom is a virtual tool that benefits students as they prepare for the AP exams.

# Advanced Placement (AP) Quick Facts

Main Questions	Points to Consider
Where are courses offered?	On BRHS Campus.
What is the application process?	Include the course(s) on BRHS Course Request Form.
What are the requirements to enroll?	Recommended 3.00 GPA and Level 3 or higher on most recent FSA/EOC.
How is GPA calculated for high school?	GPA at BRHS is calculated on a 5.0 scale. * Colleges and Bright Futures program may only calculate GPA on 4.50 scale.
How is the college credit awarded?	AP Exam are scored on scale of 1 – 5. Most colleges award credit for a score of 3 or higher. * Students may use AP Credit Policy Search Tool to research specific institutions.
Is transportation provided?	Students may ride the bus to BRHS if within the school zone.
What is the cost?	AP course materials and exams are paid for by the School District.
What is the impact on college/university transcript?	No impact on post-secondary GPA. * Credit may appear on college transcript as CR (credit) or P (Pass) with number of credit hours.

# Benefits of AP:

## A Head Start in High School

Research consistently shows that AP students are better prepared for college than students who don't take AP, regardless of their exam score. They're more likely to enroll and stay in college, do well in their classes, and graduate in four years. Taking AP can help you:

### Get a Taste of College

Get familiar with college-level work—and boost your confidence by tackling it.

### Develop College Skills

Time management, critical thinking, scholarly writing—AP courses and exams help you hone the skills you'll need in college and career.

### Discover Your Passion

Studying a subject in depth could give you new insights and even put you on the path to a career.

### Boost Your GPA

Taking an AP course and exam can boost your GPA. Check with your school for more information.

## An Edge in College

Taking AP courses and exams in high school could give you an advantage in college by letting you:

### Earn College Credit and Placement

Your AP Exam score could earn you college credits and let you skip introductory courses before you even set foot on campus.

### Save Money and Time

Earning credit or placement can open up time on your schedule or even let you graduate early.

### Stand Out to Colleges

"AP" on your high school transcript shows colleges that you're motivated to succeed, and taking the exam demonstrates your commitment to tackle and complete college-level work.

### Keep Your Options Open

Earning college credit with AP can give you the flexibility to change majors, pursue a second degree, study abroad, or seek internships.

## What College Level courses are offered at Braden River High School?

Subject Area	Dual Enrolment	Advanced Placement
English	Composition 1 (ENC1101) Composition 2 (ENC1102)	AP English Language AP English Literature

# AP Credit Policy Search

<https://apstudent.collegeboard.org/creditandplacement/search-credit-policies>

The screenshot shows the AP Credit Policy Search homepage. At the top, there is a navigation bar with 'AP' on the left, 'Sign In' with a user icon, and a 'Search' button. Below this is a secondary navigation bar with links: 'Home', 'Getting Started', 'Courses & Exams', 'Taking Exams', 'Scores', and 'Credit & Placement'. The main heading is 'AP Credit Policy Search' in large white text on a blue background. Below the heading is a subheading: 'Your AP scores could earn you college credit or advanced placement (meaning you could skip certain courses in college). Use this tool to find colleges that offer credit or placement for AP scores.' There are two search options: 'Search by Course' (selected) and 'Find Your College'. Under 'Search by Course', there is a dropdown menu labeled 'Accepted AP Course' with the text '--Select Course--' and a downward arrow.

The screenshot shows the Florida State University AP credit policy page. The page has a blue header with 'Your AP course' on the right. The main content area is white. At the top, it says 'Florida State University' and 'Tallahassee, FL'. Below this is a paragraph: 'Students who have participated in the AP Program in high school and received a score of 3 or higher on the national examinations will receive college credit in the appropriate subject areas. Please refer to our website for information about specific scores and credits.' There is a link: 'For more information, view the credit policy on this college's website.' Below this is another paragraph: 'Additional restrictions and requirements may apply to the policy listed below. For more detailed information, visit the college's AP policy on the Web or contact the college directly.' There is a link: 'Learn more about AP credit & placement'. Below this are two checkboxes: 'Offers credit for qualifying AP Exam scores' and 'Offers placement into advanced courses for qualifying AP Exam scores', both with green checkmarks. There is a button: 'Download results (CSV)'. Below this is a table with the following columns: 'Exam Name', 'Min Score Required', '# of credits', and 'Equivalent course'.

Exam Name	Min Score Required	# of credits	Equivalent course
AP 2-D Art and Design	3	3	ART 1201C(3)
AP 3-D Art and Design	3	3	ART 1203(3)
AP Art History	3	3	ARH 2000
AP Art History	4	6	ARH 2050 (3) ARH 2051 (3)
AP Biology	3	4	BSC 1005(3) BSC 1005L(1)
AP Biology	4	4	BSC 2010(3) BSC 2010L(1)
AP Biology	5	8	BSC 2010(3) BSC 2010L(1) BSC 2011(3) BSC 2011L(1)
AP Calculus AB	3	4	MAC 2311(4)
AP Calculus BC	4	8	MAC 2311(4), MAC 2312(4)
AP Calculus BC	3	4	MAC 2311(4)
AP Calculus BC: AB Subscore	3	4	MAC 2311(4)
AP Chemistry	4	4	CHM 1045(3) CHM 1045L(1)

Students have the option to search by a specific AP course or by college/university.

# Dispelling the Myth about AP Scores

## College Board Research Findings - June 2021

→ Enrollment Records for 1.5 million students and a subsample of 410,000 students with college grades ←

**Key Takeaway:** AP students who earn a score of 1 or 2, or average a score of 1 or 2 across their AP Exams in high school, have **better college outcomes** than academically similar college students who did not take an AP course and exam.

**Finding # 1:** AP students are **more likely to enroll in a four-year college** in comparison to academically similar peers who did not take AP courses.

**Finding # 2:** Students who earn AP scores of 2 are **well prepared to succeed** in introductory college coursework.

**Finding # 3:** Many students who first score a 1 or 2 on an AP exam will **take more AP courses and score higher.**

<https://research.collegeboard.org/pdf/new-analyses-ap-scores-1-and-2.pdf>

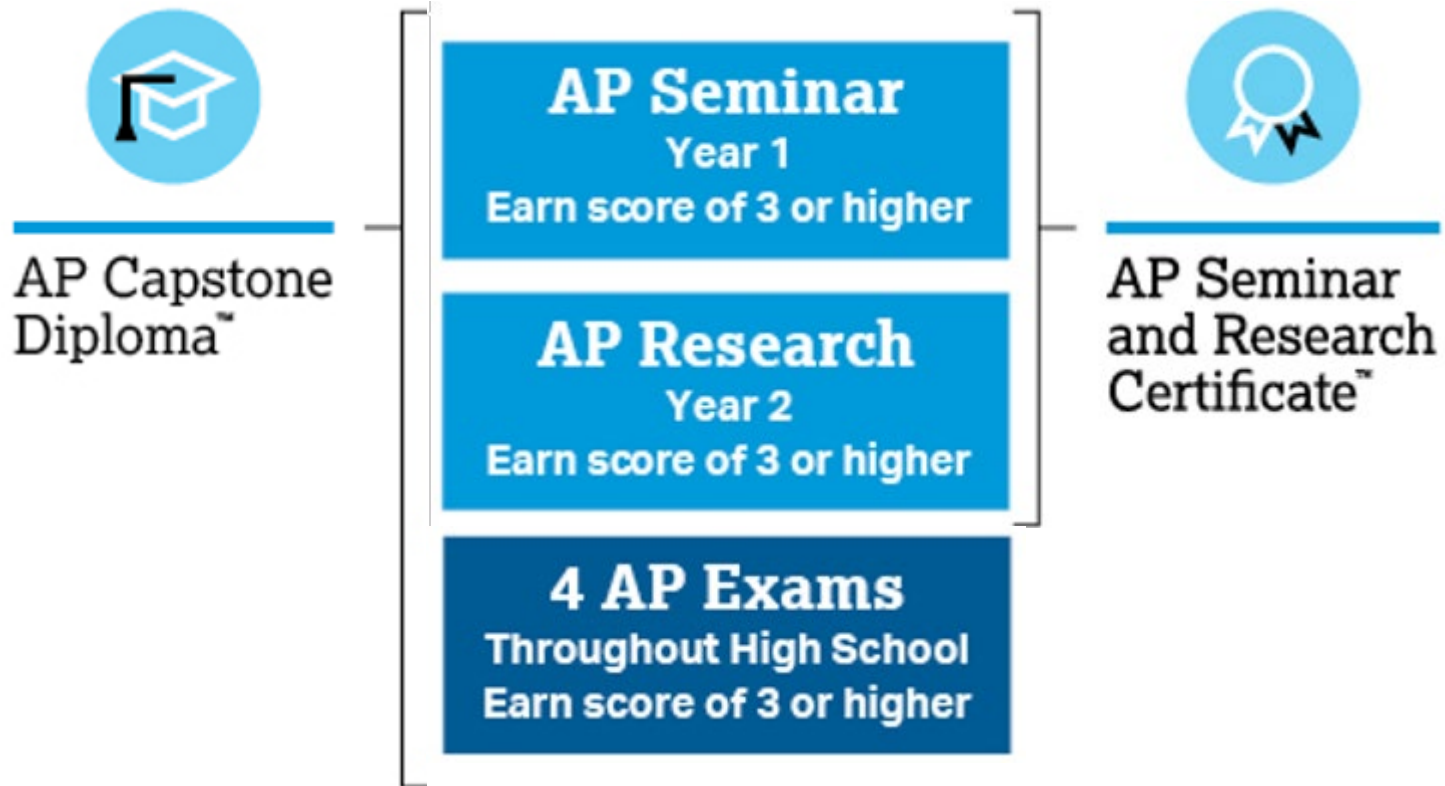

# AP Capstone Courses - Seminar & Research

## What It Is

AP Capstone is not a course. It's a two-year program based on two AP courses—AP Seminar and AP Research. Other AP courses teach you, in depth, about a specific subject, like biology or U.S. history. AP Seminar and AP Research are different. They focus on helping you develop academic skills you can use in any discipline. These skills include:

✓ <b>Critical thinking:</b> View issues from multiple perspectives and create arguments based on evidence.	✓ <b>Collaboration:</b> Work alone, in a group, and with expert advisers to communicate your ideas.
✓ <b>Conducting research:</b> Explore various research methods and complete research projects on topics of your own choosing.	✓ <b>Public speaking:</b> Present and defend your work as a group and individually.

# Dual Enrollment Information

A series of horizontal lines in shades of gray and white, extending from the left edge of the slide and ending on the right, creating a decorative border below the title.

# What is Dual Enrollment?

Dual Enrollment provides an opportunity for students to earn credit for courses that meet both high school graduation requirements and can be used towards a degree program at the collegiate level.

BRHS partners with two institutions to provide dual enrollment opportunities:

- University of South Florida
- State College of Florida

Students can enroll in part-time or full-time dual enrollment programs while in high school.

# Dual Enrollment (DE) Quick Facts

Main Questions	Points to Consider
Where are courses offered?	On campus with USF and off campus at SCF or USF Campuses.
What is the application process?	Online application. *Depending on the program, student may also be required to submit proof of residency, immunization record, online orientation, and DE contract.
What are the requirements to enroll?	Both institutions require a specific cumulative GPA and minimum PERT, SAT, or ACT scores.
How is GPA calculated for high school?	GPA at BRHS is calculated on a 5.0 scale. * Colleges and Bright Futures program may only calculate GPA on 4.50 scale.
How is the college credit awarded?	Grade earned in the course is recorded on both high school transcript and college transcript.
Is transportation provided?	Students or families must provide own transportation to USF or SCF.
What is the cost?	Tuition and required textbooks are provided by the School District.
What is the impact on college/university transcript?	Course grades are calculated into post-secondary GPA. * Students must submit an official transcript from USF or SCF to any other college/university that he or she may attend in the future.

Program Director for Early College

# Early College Programs

# Early College Programs

- **Dual Enrollment** allows for qualified students to enroll in approved college course-work that will satisfy both high school and college requirements. Students can take up to 11 credits.
- **Early Admissions** allows qualified grade 12 students to enroll in 12-15 credit hours of college course-work during semester 1 and semester 2 in high school.
- **Accelerated Dual Enrollment** allows qualified grade 11 students the ability to potentially earn the AA degree. Students take up to 15 credits per semester.

# Eligibility Requirements

## *Dual Enrollment & Early Admissions*

- Student meets with HS counselor
- Student must hold an unweighted 3.0 GPA
- Student must have qualifying PERT/ACT and/or SAT scores to be placed into college level courses

### *Deadlines:*

May 15<sup>th</sup> for Summer/Fall

December 1<sup>st</sup> for Spring

# Eligibility Requirements

## *Accelerated Dual Enrollment (ADE)*

- Student meets with HS counselor
- 3.3 unweighted high school GPA
- Pass all portions of PERT or equivalent SAT/ACT scores
- Academically ready for 11<sup>th</sup> grade this includes English I & II, Algebra I & Geometry EOC passed & ELA 10<sup>th</sup> grade state assessment

### *Deadlines:*

May 15th for Summer/Fall

December 1st for Spring

# Test Score Requirements

- Students must have qualifying PERT, ACT, or SAT scores to be placed into college level courses

Area	PERT	SAT	ACT	Accuplacer- Next Generation
Reading	106+	24+	19+	256+
Writing	103+	25+	17+	253+
Math	123+	27+	21+	264+ (QAS)

# Enrollment Process

## APPLICATION PROCEDURE

### APPLICATION PROCEDURE TUTORIAL VIDEO

Stay tuned for updated video for upcoming semester

**NOTE:** If you have applied for Dual Enrollment or taken dual enrollment courses at USF. Please see Returning / Re-Enrolling Students on the Menu to the left.

**REAPPLY or UPDATE** your application if you have only attended one semester or if you applied for a semester and did not attend.

#### What First-Time "New" Dual Enrollment Students Only Must Do:

1. Before starting this application process, please read all the information below. The application must be completed on a laptop or a desktop computer using Google Chrome (**DO NOT USE YOUR CELL PHONE**).
2. Students who need to register for tests at USF Tampa testing center must have an USF U number (U#) for the USF testing center (**Complete the Non-Degree Application below and Activate your NetID to receive your U Number via your USF email**).
3. ~~Note: There is no summer program available. Parents and Students should fill out the~~

# USF Dual Enrollment

3. **Note: There is no summer program available.** Parents and Students should fill out the **High School Dual Enrollment Non Degree Seeking** application together to ensure **Residency, Immunizations and the medical history form are completed.** The application process is initiated by completing the online **USF “Non Degree Seeking” Application**, as a High School Dual Enrollment student. **Use Google Chrome on a laptop or desk top computer, not a cell phone. Students must enter the name of their high school to be considered, or that they are homeschooled.** Students will select the Semester, Fall (August Course) or Spring (January Course); then **select their USF Home Campus.** **AVOID MISTAKE:** Make sure to select the semester (**not summer**) that you plan to take dual enrollment courses-either in August (Fall) or Spring (January). **IMPORTANT: DO NOT Check Discipline or Misconduct** unless you have done something illegal; school discipline referrals do not count unless the **SRO** was involved. **On the last screen of the application, when asked to pay, just close the screen and your application will be processed and fees waived.**
4. **DO NOT PAY! Just close your browser.**
5. Dual Enrollment applicants must establish residency by the same process as all applicants, please work with your parents or guardians when filling out the "Non-Degree Seeking" online application above. If taking online courses only, immunizations are not needed.
6. **Students, you must set up your NetID (USF email) 2-3 days after applying.** Do this by using the **same email used on the application or use your U Number.** **USF communications will only be sent to students' USF email account.** **Activation of Student NetID** is found here. Having trouble? Chat:<https://itchat.usf.edu>

# USF Dual Enrollment

7. Once the NetID is established, students will have their USF U# and provide it to their counselor. Parents / Students / Counselors or / administrators can submit the **Dual Enrollment Informational Approval Form 1**. This form is only completed once per year. **Please save a copy of the submission to your computer or print your confirmation.**
8. Students will use **OASIS** found under MyUSF at the top of the USF Homepage to look up courses they are considering for dual enrollment. They must have a course prefix, a course number and the five (5) digit CRN# for each course to be reviewed with their counselor, so that their counselors/administrators can submit **Dual Enrollment Approval Form 2** for registration. **Click here for a tutorial on how to look up courses in OASIS.**
9. Students must fill in the **Student Course Planning Sheet** before meeting with their counselor / administrator / homeschool parent who will fill out **Dual Enrollment Approval Form 2**.
10. Counselors/Homeschool Parent /Administrators must approve courses selected by the student (with parent(s), who will provide the counselor course information to include prefix, number, title, and CRNs for online or at a USF Campus course. For all students taking courses on their high school campus, no CRN is required.

## EARLY ADMISSION

Early Admission is a form of dual enrollment whereby eligible high school students are admitted to USF as fulltime students for fall and spring semesters of their high school senior year.

During the early admission year, students take 12-15 credits each semester. The courses they take earn credit toward both a baccalaureate degree and completion of the high school diploma.

Early admission is open to students from any high school setting: public school districts, charter schools, private schools, or homeschools. Schools, School Districts, Homeschooled students interested in making early admissions can request an Early Admission Articulation Agreement with USF by submitting an **electronic request**. Use the hyperlink to submit a request.

**Students must start the Early Admission Process as early as the summer before or the beginning of their Junior Year of High School.**

# Early Admissions (Full Time) Eligibility Requirements

- ✓ Rising 12<sup>th</sup> Grade Students – Full Year Commitment
- ✓ Minimum 3.8 GPA as calculated by USF
- ✓ Minimum scores on one of the following tests:
  - SAT: 1300 with at least 580 in Reading
  - ACT: 29 composite with at least a 29 in English
- ✓ Degree-seeking Student Application
- ✓ Early Admissions Approval Forms
- ✓ May want to consider applying to Judy Genshaft Honors College
- ✓ Deadline = **March 15th**

# USF:

## Dual Enrollment vs. Early Admissions

### Dual Enrollment

- 9th-12th grade
- 6 credits first semester
- Up to 11 credits thereafter
- Qualifying testing options ie. Accuplacer, Pert, ACT, SAT
- GPA 3.5+
- Maintain 2.0 GPA
- Part-time Non-Degree seeking student

### Early Admissions

- Senior in High School only
- 12 to 15 credits
- SAT/ACT qualifying testing only
- Higher entrance GPA 3.8+
- Full time USF degree seeking student would not need to reapply to USF after High School graduation

# USF Dual Enrolment Deadlines

USF Fall Semester (August Start)	USF Spring Semester (January Start)
<b>On or before May 15</b> - Articulation agreements with school/district for fall and spring are due	<b>On or before November 1</b> - Articulation agreements with school/district for just spring are due
<b>On or before June 1</b> - Online "Non-Degree" Dual Enrollment Application for Fall Start (August) and Spring Start (January). And Counselors/ Parents / Students / Administrators submit Form 1 for each student annually.	<b>On or before November 15</b> - Online "Non-Degree" Dual Enrollment Application for Spring Start (January). And Counselors/ Parents / Students / Administrators submit Form 1 for "New Students."
<b>On or before June 15</b> -Dual Enrollment Approval Form 2 for Fall (August) <b>NOTE:</b> You may submit Spring Approval Form 2 if known at this time for planning purposes. Use a second digital approval form noting spring semester).	<b>On or before November 15</b> For High School Campus Courses Approval Form 2  <b>November 15</b> - Dual Enrollment Approval Forms Due for Spring (January) for Online or USF Campus Courses.
