By the time I got home, my mom was dying to hear all about my new teacher, Mrs.

\_\_\_\_\_. So, I told her every detail about my new \_\_\_\_\_ grade teacher,  
1 2  
just to make her happy.

The day started when I happened to catch my teacher walking by the

\_\_\_\_\_ wearing a \_\_\_\_\_. Then, the first thing she did  
3 4 5  
when all the students walked into the classroom was \_\_\_\_\_. It  
6 7  
sure got everyone's attention!

Next, she introduced herself to us by telling us her favorite food in the whole world

is \_\_\_\_\_ and her favorite sports team to pull for is \_\_\_\_\_. I also  
8 9  
learned that her favorite color is \_\_\_\_\_ and she can't live without her  
10

\_\_\_\_\_. She is REALLY afraid of \_\_\_\_\_, too. For fun she likes to  
11 12

\_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ with her \_\_\_\_\_. She  
13 14 15 16  
has \_\_\_\_\_ pets and \_\_\_\_\_ kids of her own. She stays pretty busy!  
17 18

After I told her all of that, of course my mom wanted to know about all

\_\_\_\_\_ students in my class. So I started at the beginning of the alphabet...
