## Associate in Arts Degree

---

### A.A. - Transfer (60 Credit Hours)

A.A. students complete general education courses and prerequisite classes to prepare for a seamless transition to a four-year program.

If your goal is to earn a four-year degree at SCF or elsewhere, an A.A. from SCF is affordable, convenient and offers you a complete college experience.

### Why SCF?

- Save money! You will pay less than half the cost of most universities. SCF offers financial aid, scholarships and payment plans to help you graduate with little to no debt.
- Your credits are transferable to any Florida public college or university. SCF works with prominent universities to offer customized advising for establishing clear transfer pathways into high-demand programs.
- Immerse yourself in college life with SCF's visual and performing arts programs, athletics, student clubs or extracurricular activities.
- Gain access to professional and industry networks for internships and hands-on experiential learning opportunities.
- You will always stay on track to complete your degree, thanks to our concierge-style advising.
