Dear Business Owner,

We are excited that last year we celebrated 100 years of excellence. Ballard Elementary is a school where academic success comes as a result of dedication, passion, and a sense of family. We are hoping that you will partner with us to raise responsible citizens who will become our future leaders. As we begin planning our new school year, we have quickly realized that in order to provide resources for our classrooms, professional development for our staff, and community building celebrations for our school, we need funds. We would love to have your financial support as we continue this venture in our community! We ask that you take a minute to review the Ballard Elementary Business Partnership information. Call us and we would be happy to discuss more about our school and the plans we have for the future.

Sincerely,

Rudy Keezer

Principal
