

SAC Meeting

April 21, 2022

Facilitator: Maribeth Mason

Time: 5:30- 6:30

Location: Cafeteria

Goal: Communicate, collaborate and share information with parents and family members to best serve Samoset Elementary

Protocols:

- ❖ Honor tasks and time limits
- ❖ Communicate openly and honestly
- ❖ Contribute actively without dominating
- ❖ Uphold the mission in public and in private

Long Term Purpose:

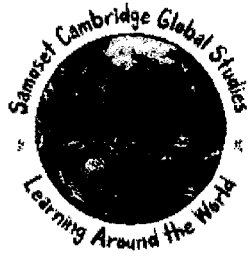

To work together in an environment of mutual trust and honesty, resulting in improved operational experiences for our staff and academic achievement for our students

Outcomes:

To enhance communication with parents, students and community members through the School Advisory Council at Samoset Cambridge Global Studies Magnet School, where we strive to provide an environment that gives our students the best possible education as we build a community of learners who strive for individual success
