Service

Service activities are those in which you participated for the betterment of your community and that does not represent activities for which you received compensation of any kind, including a class grade. Your community service hours must be submitted to the school (Mrs. Cucci) for verification. The form can be found on Parrish Community High School's website under the Parents and Students Tab.

For purposes of membership, community service hours that promote or denigrate religion or that involve activities required by a student's membership in a particular organization (and not freely undertaken without being otherwise required) shall not be considered.

Teacher Evaluations

Students must obtain three evaluations.

At least ONE must come from core subject teachers (Math, English, Science or Social Studies).

It is highly recommended that students select teachers who have known them multiple years.

Please cut each evaluation slip on the dotted line & put the application deadline in the box.

MAKE SURE TO PUT **YOUR NAME** IN "APPLICANT" BOX.

Each teacher you ask for a recommendation will fill out the slip and he/she will return to the Mrs. James (NHS advisor).
