What We Teach!

- The School District of Manatee County teaches to the B.E.S.T. standards that have been fully rolled out by the state of Florida!
- The standards reflect what all students should know and be able to do in each grade from Kindergarten through 12th grade.

Ask us or visit the www.FLDOE.org website or your school for more information.

Every Day Counts!

- ✓ Did you know that children who miss 18 or more days of the school year (2 days a month) starting in kindergarten are less likely to learn to read by third grade and graduate from high school?

Attending school regularly helps children feel better about school—and themselves. Start building this habit early so they learn right away that going to school on time, **every day is important**. Eventually good attendance will be a life-long skill that will help them throughout their lives.

Parent/Guardian Right to Know

- To be involved and request regular meetings to express your opinions and concerns;
- To be provided information on your child's level of achievement on assessments;
- To request and receive information on the qualifications of your child's teachers and paraprofessionals;
- To be informed if your child is taught by a non-state certified teacher for four or more consecutive weeks.

Home-School Compact

School Commitments

Parent Engagement

In short, when families are engaged in learning at home and school, children do better and schools get better.

- ☐ How will you engage in your child's education this year?
- ☐ How can we help you help your child?
- ☐ How can we make our school / Title I Program better?
