Dear Parents/Guardians of incoming 7<sup>th</sup> graders:

Please accept this letter as a friendly reminder that your child will need to have the TDAP vaccination prior to entering the 7<sup>th</sup> grade this upcoming August. Your child will NOT be allowed to attend school without this vaccine and their schedule will be held until this requirement is met.

Once your child receives the vaccine, please provide the updated FL Certified 680 form by sending in with your child, email or fax at 941-209-6361.

This vaccination can be given at your child's pediatrician's office or the Manatee County Health Department – 410 Sixth Avenue East, Bradenton, FL 34208. You can call 941-748-0747 for an immunization appointment.

You can reach us via email or phone at the information below should you have any questions or concerns.

Thank you! Stay healthy and safe! Have a great summer!
