

The Corral

January/February 2025

R. Dan Nolan Middle School
Your Source for All The News That is Nolan

Principal's Welcome,

Welcome back and to the start of 2025. The first semester has proven to be a great success. Our students have been working hard during the first semester as evidenced by more than half our students earning honor roll distinctions. Our faculty and staff have been working hard to ensure our students are prepared for the state assessments that are just around the corner.

We have seen many successes in our clubs, programs and athletics so far this school year. We look forward to further successes for our students, advisors, instructors and coaches yet to compete. We know they will make Nolan proud and bring home many well-deserved accolades

The second semester will go by quickly and believe it or not we are already preparing for the next school year. We will begin the registration process for next year's courses in March. Our rising 7th and 8th graders will select their courses online through the Focus platform during science classes. Forms will be sent to elementary schools for incoming 6th grade students to select courses before the end of the year.

We are all here to work to ensure the success of our students, so please reach out to your student's teachers and/or guidance counselor if you have questions about their grades. Thank you for your continued support of Nolan Middle School.

Educationally yours,

Carl Auckerman, Principal

Mr. Carl Auckerman, Principal

Technology Reminders

A reminder to all students and parents. Bringing your own device to Nolan Middle School is a privilege. We ask that all students keep electronics to include cell phones, tablets, laptops, ear buds, head phones and other technology components in their back pack at all times. Ear buds and headphones are not to be worn in the hallways. Also any technology use in the classroom must be approved by the teacher. If students have technology in their backpacks they are responsible for taking care of their backpacks and technology.

Devices must be securely placed in the backpack. Students carrying phones in their pockets can have them taken away by staff. If a device is taken away parents will need to come to the school to retrieve the phone. If a student needs to use their cell phone for any reason, they must ask a teacher or staff member. Students are responsible for their devices. Students should not be texting or calling parents for any reason during school hours as this can result in a school consequence. Thanks for your support!

From the OFFICE

If your child has an appointment and may be leaving school early, please send them to school with a note on the day of the appointment. and have them take it to the attendance office.

No student will be permitted to be picked up and signed out between 3:30-4:10 PM. Make arrangements accordingly.

No delivers to the office of any kind. This includes lunches, homework, cell phones, and other items that may have been forgotten at home.

If you sign your child out and they would like to return, they must return with proper documentation, such as a doctor/dental note.

Report of Out of Field Teachers

January 31, 2025

Dear Parents,

The Florida State Department of Education requires that schools report to parents for the October FTE reporting any teachers who are out-of-field. Below are the Nolan Middle School teachers who are out of field for the 2024-2025 school year:

****Please note – days/times are subject to change –check with your teacher to ensure availability****

Congratulations to Nolan FBLA Students!

Congratulations to all the Nolan FBLA members who attended the FBLA District Awards Ceremony Friday evening. Please help me to congratulate the following students who finished 1st – 5th. at the awards ceremony. Most students will be moving on to the Florida FBLA Leadership Conference in March, where they will represent their school and district at the state level. Congratulations to everyone, outstanding job! Thank you to our parents for all their support!

Austie Harbaugh ran for and was voted in as a District ML representative for FBLA, congratulations Austie!

HOSA/Pre-Medical Program

HOSA has been busy with Elective Choice Night, Manatee Technical College Choice Night, and preparing for the Florida HOSA Gulf Coast Region Competitive Events Conference! After a busy fall with leadership camp, the students competed Saturday, February 1st at Manatee Technical College East Campus. Their placement will determine whether they compete at the Florida HOSA State Leadership Conference held in April at the Orlando World Marriott.

In addition, the Pre-Medical Program with HOSA members and FFA members are planning a career trip to Clearwater Marine Aquarium where they will dissect squid and learn about careers for marine life, working in aquariums, and as marine biologists. We are welcomed each year by the Clearwater Marine Aquarium staff and look forward to this continued relationship!

HOSA also received \$2500 for our program from Blake Medical Hospital. Students joined Parrish Community High School to view the DaVinci Robot and the Ion system during Lung Awareness Month. We are very appreciative of our partnership with Blake Medical Hospital and their staff!
