

Help us attend the 2024 National TSA Conference!

W.D. Sugg's TSA Chapter is seeking funding to help us attend this years National Conference in Orlando. We have been fundraising all year but do not have sufficient funds to pay for registration and hotel rooms. The cost per student is \$300. Please assist us by sponsoring a student or multiple students.

The heart of TSA is its competitive events. Combined, there are over 92 individual and team events on separate middle and high school levels in three conference setting. These contests reflect our engineering and design focus as well as leadership skills.

We invite you to join us in support for the future designers, inventors, innovators and engineers and be a W.D. Sugg TSA Partner. Your partnership will provide support for travel, hotel and registration allowing student contest winners to represent our school at the 2024 National TSA Conference in Orlando, Florida.

Individual support of any amount is always welcomed.

Please send Corporate logos and information to
