

**The School District of Manatee County's Title I Department provides free summer programs to select students in Title I schools. To help us make these summer programs the absolute best they can be, we need your input. Please help us by answering a few questions on the survey link in the email version of this message. If you can't access the survey from the link in the email, you can find it on the home page of our School District website at [www.manateeschools.net](http://www.manateeschools.net). We ask that you please respond by or before December 22<sup>nd</sup>. Thank you and have a wonderful evening.**
