

Virtual College Fair

Thursday, October 28, 2021
5:00 - 7:45 p.m.

Visit admissions representatives from 75 colleges, universities and technical colleges.

Planning a student's educational future is important to all of us! Join us for a VIRTUAL college fair experience as we welcome a large variety of post-secondary educational institutions.

College representatives will present virtually, be available to answer questions, and provide information to help make informed choices for next steps after high school.

Registration opens October 14
