No, it will be presented as a comprehensive recommendation packet. There will not be just one publisher across the board. • 6-8 Voting results • National Geographic <ul style="list-style-type: none"> ○ 35 total votes • TCI <ul style="list-style-type: none"> ○ 10 total votes • Will we still supplement with the Gateway book? We purchased the Gateway book using a grant. It will continue to be used as a supplemental resource. • The teacher guide that goes with the Gateway book, is that the final copy? We have purchased

		<p>them, and they are currently online. Hard copies will be forthcoming</p> <ul style="list-style-type: none"> • 9-12 Voting Results • World History • National Geographic <ul style="list-style-type: none"> ○ 19 votes • TCI <ul style="list-style-type: none"> ○ 14 votes • US History • National Geographic <ul style="list-style-type: none"> ○ 10 votes • TCI <ul style="list-style-type: none"> ○ 13 votes • Government • National Geographic <ul style="list-style-type: none"> ○ 20 votes • McGraw Hill <ul style="list-style-type: none"> ○ 5 votes • Economics • TCI <ul style="list-style-type: none"> ○ 24 votes • McGraw Hill <ul style="list-style-type: none"> ○ 3 votes • Come back to Middle School slide and will open the voting results to discussion. • Is it possible for the Superintendent to say that this is not a large enough sample of votes from teachers? It is possible for him to say that he would like a larger sample and then we will have to adjust. • Does this include any of the Charter schools? No, we do not purchase for the Charter schools. • With the NatGeo with there being so many consumable votes with them will those resources come with it? Every year we get a certain amount for the students it is part of the contract • Is there an option to modify the amount of consumables that are purchased to modify the prices? If it became an issue that it costs too much, there may be consumables that can be taken off to adjust the price. That would be a conversation to have with the company in the future. • Any other comments before we move to a vote? All in favor of moving on to a vote. All voted yes
5.	Final Recommendations	<ul style="list-style-type: none"> • Holding a vote for what recommendation goes forward. <ul style="list-style-type: none"> ○ 14 for NatGeo ○ 0 for TCI
6.	Next Steps	<ul style="list-style-type: none"> • NatGeo is what will be going forth to the Superintendent with the cost analysis.

		<ul style="list-style-type: none"> • Will work with publishers to figure out the cost • Superintendent will provide a recommendation to the School Board • There is a 30-day objection window after the recommendations are brought forward. • From there the adoption will be finalized and the contracts will be signed • Materials will be purchased and then during the summer there will be a training and some teachers will be brought in for Curriculum Map writing, Summer PL, Preservice PL, etc. Early stages of planning these trainings and plannings • Will we have the teacher's edition by the summer? It depends on how fast the publishers can ship the materials. • Will the committee members receive a copy of the recommendation of the cost analysis and recommendation? Will investigate this to get an answer.
7.	Closing	<ul style="list-style-type: none"> • Reminder that NatGeo is the final decision. • Meetings are beholden to Sunshine law, and members should not discuss amongst themselves outside of these meetings. • Thank you to everyone
