Once the days are deducted, the deduction shall be irrevocable.
- C. An employee must be employed or on compensable leave on the first workday for that employee's position during the fiscal year that the application is made, and must be employed or be on compensable leave on the date of payment.

An employee shall be entitled to illness-in-line-of duty leave when said employee needs to be absent from duty because of a personal injury received in the discharge of duty or because of illness from any contagious or infectious disease contracted in school work, excluding common colds, flu and other sickness of this nature. A physician's statement verifying the nature of the injury or illness must be provided by the employee before illness-in-line-of duty leave pay is granted. Furthermore, it is incumbent upon the employee to provide evidence that such injury was incurred during his line of duty.
