To Whom It May Concern:

I would like to invite you to consider becoming a business partner with Bashaw Elementary School. We hope that creating a business partnership with Bashaw Elementary will prove to be a win-win situation. The school wins through the monetary support that your business provides to purchase additional books, technology, supplies for our classrooms and staff appreciations. It is also a win for your business, as a large sampling of our community would be receiving advertisements for your business.

Please look over the enclosed form, indicating the various levels of support that you may choose to provide. Also, note the varying levels of advertisements that come with each level. Should you decide to become a partner with us, simply fill out the bottom portion of the form and return it to the address listed above with your check and business card attached.

If you have any additional ideas or questions, please contact Maria Gil 941-741-3307 ext. 54002. Thank you for your efforts to help us strive to make a difference in the lives of our children.

Sincerely,

Maria Gil  
Assistant Principal
