Area of Focus 1: K-12 Instructional Services

A. Describe the LEA's plan for addressing migrant students' needs in the area of K-12 Academic Services. Include descriptions of how the plan will address the Measurable Program Outcomes (MPOs) from the 2021 Migrant Education Program Service Delivery Plan.

The School District of Manatee County, Migrant Education Program will address the Reading MPO, the Math MPO, as well as Graduation MPO's 1-3, by carrying out a coordinated assistance approach in supporting ELA and Math education for K-12 migrant students. The SDMC MEP will meet at least once per quarter to review student data, progress of goals, and to discuss coordinated adjustment to services and schedules.

At a high population migrant elementary school, 1.1 - a Migrant Resource Teacher will provide targeted assistance in ELA and Math through small group instruction, as well as, coaching to assist teachers with cross-content area strategies to support ELA and Math instruction in the classroom. 1.2 - Two Migrant Home School Liaisons will provide targeted ELA and Math assistance to migrant students based on Early Warning System data to assure students at middle and high schools (and some elementary schools) are achieving academically. The schools assigned to each of the HSL's will be based on the enrollment numbers of each school. A primary area of focus for HSL's will be helping students with credit accrual and helping high school students meet graduation requirements.

Additionally, the MEP team will address Graduation MPO's 1-3 by reviewing all Migrant Student high school and middle school schedules by the end of the first two weeks of school. After a deep schedule analysis of each individual student schedule, we will communicate to the school administration and school guidance counselors all potential opportunities for credit accrual towards graduation or for Accelerated/Certification Course placements. In addition, a Migrant Advocate (position funded in AOF 4) will provide ELA and Math support to students, coaching to assist teachers (on an as-needed basis) with cross-content area strategies to support ELA and Math instruction in the classroom. The main area of responsibility for the Migrant Advocate within our "coordinated effort plan" will be elementary schools and high migrant population charter schools.

All of the MEP Staff mentioned here will have tutoring services as a tool/resource at their disposal. The MEP Staff will be able to coordinate tutoring services when the need arises. Tutoring options will include the following: T4,PA - Title IV, Part A will fund FEV Tutor. This is a 1:1 online tutor for students in grades 3-12. Migrant students who will benefit from this assistance will be identified by MEP staff at our quarterly data meetings. Additionally, this will be a tool/resource for all MEP Staff who request it for Migrant students on an "as needed" basis. We will begin the school year with a bank of approximately 270 hours worth of tutoring support. 1.3 The MEP will fund two certified teachers to tutor students at Nolan Middle School, approximately 4 hours per week every Tuesday and Thursday morning, from mid-October 2022 to April 2023. Transportation will be provided to Migrant students. 1.4 The MEP will also fund elementary school tutors where the data indicates there is a substantial need (6 or more Migrant Students in need of tutoring).

Moreover, the 1.5 SDMC MEP will also help to address the Reading MPO and the Math MPO by supporting the 2023 Migrant Summer Camp held in June by providing transportation and by funding educational print materials. This camp will provide an emphasis on ELA, Math, and STEM instruction to K-8 Migrant students. This Summer Camp also offers middle and high school Migrant students an opportunity to participate in Credit Recovery, thereby addressing Graduation MPO 1 and potentially Graduation MPO 2. Other costs of the Migrant Summer Camp will be paid for outside this grant.

Some additional supports the MEP will also provide to students will include: 1.6 - Assistance in paying educational program fees directly related to academics. These fees registration or other participation fees for programs such as TSA or Lego League. Also, 1.7 - purchasing school supplies when the need arises.

At each Quarterly MEP Data Meeting, we will evaluate the progress towards the five MPO's for Area of Focus 1 utilizing iReady Data, District Benchmark Assessments, and/or student report cards.

<input type="checkbox"/> No Title I, Part C funds will be used to address this Area of Focus. If this box is checked then the LEA does not need to complete the next question or the budget section for this Area of Focus.

Area of Focus 2: Early Childhood

A. Describe the LEA's plan for addressing migratory children's needs in the area of Early Childhood Education. Include descriptions of how the plan will address the Measurable Program Outcomes (MPO) from the 2021 Migrant Education Program Service Delivery Plan.

To address the Early Childhood MPO, the MEP will provide funding and resources to support Pre-K enrollment of Migrant Students into full day VPK programs.

Also, MEP Staff will collaborate with Pre-K service providers such as East Coast Migrant Head Start, RCMA, and our SDMC Pre-K department to facilitate enrollment in order to ensure that all migrant children and families have access to early childhood education and support services.

Finally, MEP Staff will offer family outreach, literacy and parent involvement opportunities to parents with young children by meeting with them in the mornings, evenings, and/or during school days.

The effectiveness of this project will be measured by comparing the results of the Florida Statewide School Readiness Assessment to results of Migrant students who did not attend Pre-K and took the same assessment, with a goal of outperforming the comparison group by at least 10 percentage points.

Area of Focus 3: Identification and Recruitment (ID&R) and Out of School Youth (OSY)

A. Describe the LEA's plan for identifying migratory children in its service area and recruiting them to enroll in the LEA's Migrant Education Program, including identifying and serving out-of-school youth (OSY). Include descriptions of how the LEA will address the Measurable Program Outcome (MPO) from the 2021 Migrant Education Program Service Delivery Plan.

3.1 The MEP employs a Migrant Recruiter, and we will increase the length of his contract from 10 months to 12 months in order to expand our recruiting into a year round effort. The Migrant Recruiter will identify and enroll migrant students. Some of the means for identifying potential Migrant Students include our school registrars, new student enrollment questionnaire, following up on MSIX notices, checking SIS and MSIX weekly for new students entering our District, collaborating with and establishing more Farm contacts.

The Migrant Recruiter also serves as the data clerk for the MEP to records all COEs and also documents services provided by any MEP staff.

The Migrant Recruiter attends all trainings that include updates in completing COEs and recertification & re-interview processes. Other MEP staff attend T.A. and State ID&R trainings.

During the 22-23 school year, the MEP will identify at least two "high agriculture activity periods" and the MEP Team will expand ID&R efforts conducting canvassing activities after hours; The MEP Team will visit migrant camps, farms, packing houses, motels, and neighborhoods in the district at times of day when workers are more likely to be home. During these canvassing activities, the MEP staff will also leave informational materials that include flyers, door-hangers, brochures, and business cards for families that may not have been at home.

To address the OSY MPO, the Migrant Recruiter will establish communication with local agribusinesses and the county health agency to identify migrant OSY. After OSY are identified and enrolled into the migrant program, the Migrant Recruiter will provide educational and supportive services to at least 85% of OSY. The Migrant Recruiter will also work with the Migrant Advocate (funded in AOF 4) to develop a plan for 10-15 OSY for enrolling in an educational program based on each individual OSY needs.

A. Describe how the LEA will address Parent and Family Engagement in the Migrant Education Program and how the LEA will address the support service needs of migratory children and their families.							
<p>4.1 The SDMC MEP will continue to engage parents and families in the MEP. 4.1 The MEP will conduct at least four MPAC meetings during the 22-23 school year. At these meetings, parents will be provided with information about academic requirements, opportunities such as tutoring, and we will discuss at least one literacy strategy at each meeting. Additionally, we will survey parents to identify migrant community needs and possible solutions for those needs. Food, snacks, and/or refreshments will be offered to families to encourage meeting attendance in the evening hours. All MPAC meetings will be conducted in Spanish. MEP staff consults with MPAC members and officers to gather suggestions and feedback from other migrant parents and report to the MEP. Additionally, all MEP staff are bilingual and meet with families at various farm sites in order to provide training and information and to gather needs and input from parents. MPAC officers email, call and/or text the Migrant Advocate (funded in AOF 5), Migrant Recruiter (funded in AOF 3), and HSLs (funded in AOF 1) when questions, concerns or needs arise.</p> <p>4.2 MEP Staff will continue to hold the Migrant Resource Fairs in December. Migrant families are able to connect with many services offered through out the community by other organizations. MEP staff will also participate in several school sponsored events in order to connect with and engage more Migrant families. MEP staff have played a central role in creating the Hispanic Community Resource Fair during the 21-22 school year, which incidentally has led to services provided for several Migrant Families. At these Fairs, SDMC Federal Programs Department provides services necessary to families at the time they are held. Community organizations and other SDMC Departments are invited to participate.</p> <p>4.3 Another MEP activity during the 22-23 school year that will support parent and family engagement, as well as community engagement in the Migrant Education Program will include The 37th Annual Migrant Awards Ceremony. At this Ceremony, the MEP honors graduating seniors for their accomplishments. The MEP works with community organizations, private businesses, private citizens, and non-profits to secure college scholarships for graduating Migrant seniors. These scholarships are then awarded at this event. At this ceremony, we encourage parents and families to continue to be engaged in their children's education. We also encourage the community to continue their involvement in the Migrant Education Program.</p> <p>4.4 Migrant Advocate will hold a program leadership role. This will include helping to plan major MEP events such as two Migrant Fairs, all MPAC meetings, any family engagement events, and the Migrant Awards Ceremony for graduating seniors in May.</p>
