Braden River High School Advanced Opportunities Night

January 23, 2025

BRHS Administrator and School Counselors

Assistant Principal – Mr. Whelden				
Student Last Name	**Grade Level**	**School Counselor**	**Phone Extension**	**Email Address**
A – F	10th – 12th	Mr. Swann	31029	**SwannK@manateeschools.net**
G – M	10th – 12th	Mrs. Kelly	31101	**Kellya3@manateeschools.net**
N – V	10th – 12th	Mrs. Lawlor	31004	**LawlorK@manateeschools.net**
W – Z A - Z	10th – 12th 9th	Mrs. Lengacher-Taylor	31157	**Lengachertaylorj@manateeschools.net**

Factors to Consider

Student's Academic Strengths

Qualifications (GPA, Test Scores)

Personal Responsibility

Time Commitment

Transportation

Transfer of College Credit

Credit Acceleration Options

☑ Range of options to earn college credit including Advanced Placement and Dual Enrollment

☑ The right choice will not look the same for all students!

☑ Family Discussion and Future Planning

☑ Counselor's Role in Decision Making Process

Student Expectations

☑ Dedicate time over the next month to think about plans for your future.

☑ Understand that college level courses require college level planning.

☑ Follow all deadlines and meet the requirements that are set by the post-secondary institutions.

☑ Each step in the process may require assistance from your family and/or counselor.

PROCRASTINATION = LOST OPPORTUNITY!

PLAN AHEAD

DON'T MISS OUT!

MTC MANATEE TECHNICAL COLLEGE

Welcome to Dual Enrollment

Manatee Tech.edu

Dual Enrollment Programs are offered on both MTC Campuses

- State Road 70 (In Front of Braden River High School)

- Lakewood Ranch Blvd (In Front of Lakewood Ranch High School)

Eligibility Requirements

16 years or older

Beginning junior year or senior year

High School approval

2.0 GPA

Must be on track for graduation

Passed all state required assessments for graduation

Some programs have additional specific requirements; see an MTC Career Counselor for more information

Parent/Guardian approval

Benefits of Career Dual Enrollment

- **All programs provide job-ready training. Most programs take approximately one year to complete and offer the opportunity for licensure or certification.**

- **Some programs and industry certifications allow the student to earn articulated college credit at State College of Florida (SCF) and other colleges. For more information see an MTC Counselor.**

- **Schooling is covered for Manatee County students who are part of the district. Student's tuition, lab fees, and some additional expenses are covered. Students however are responsible for some pre- admission costs and uniforms.**
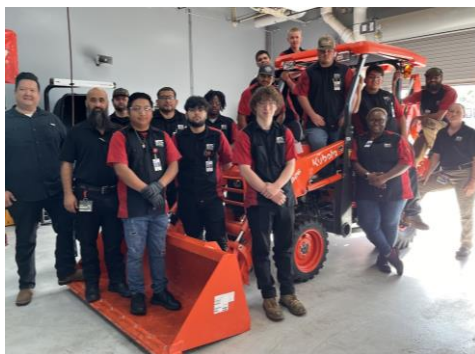

Programs- Main Campus

Accounting Operations

Advanced Manufacturing and Production Technology

Applied Cybersecurity

Automotive Collision Technology Technician

Building Construction Technologies

CNC Production Specialist (Computer Numerical Control)

Computer-Aided Drawing & Modeling

Computer Systems & Information Technology

Diesel Systems Technician 1

Digital Video Technology

Early Childhood Education

Electrical and Instrumentation Technology 1

Fundamental Foodservice Skills (Culinary Arts)

Global Logistics and Supply Chain Technology

Heating, Ventilation, Air-Conditioning/Refrigeration (HVAC/R)

Machining Technologies

Master Automotive Service Technology

Marine Service Technologies

Mechatronics Technology

Programs-
East Campus

- **Dental Assisting Technology and Management - ATD**

- **Emergency Medical Technician - ATD (EMT)**

- **Medical Coder/Biller (Online Only)**

- **Patient Care Technician (PCT)**

- **Pharmacy Technician - ATD**

- **Practical Nursing**

Next Steps

- Manateetech.edu
- Download DE step-by-step guide
- Form #1 – Completed by Student and Parent
- Will be available on our website on February 6th
- Form # 2 – Completed by High School Counselor
- Program Specific questions, please reach out to correct MTC counselors.

5/16/25	REGULAR Admission deadline (Program space may be limited for students who apply by the regular deadline.)
5/16/25	**Dual Enrollment Admission document deadline**
5/23/25	**Dual Enrollment Admission decisions released to Students**

Advanced Placement (AP) Information

What is Advanced Placement (AP)?

Nationally standardized, college-level curriculum developed by College Board in over 30 subject areas.
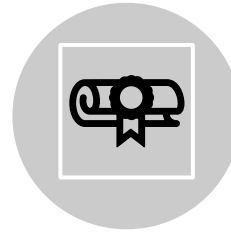

Opportunity to earn credit for college by achieving a specific score an AP exam at the end of the year.

Exams are scored on scale of 1 -5. Typically, a Level 3 or higher awards credit.

AP Classroom is a virtual tool that benefits students as they prepare for the AP exams.

UNLOCK YOUR POTENTIAL

Advanced Placement (AP) Quick Facts

Main Questions	Points to Consider
Where are courses offered?	On BRHS Campus.
What is the application process?	Include the course(s) on BRHS Course Request Form.
What are the requirements to enroll?	Recommended 3.00 GPA and Level 3 or higher on most recent FAST/EOC.
How is GPA calculated for high school?	GPA at BRHS is calculated on a 5.0 scale. * Colleges and Bright Futures program may only calculate GPA on 4.50 scale.
How is the college credit awarded?	AP Exam are scored on scale of 1 – 5. Most colleges award credit for a score of 3 or higher. * Students may use AP Credit Policy Search Tool to research specific institutions.
Is transportation provided?	Students may ride the bus to BRHS if within the school zone.
What is the cost?	AP course materials and exams are paid for by the School District.
What is the impact on college/university transcript?	No impact on post-secondary GPA. * Credit may appear on college transcript as CR (credit) or P (Pass) with number of credit hours.

Benefits of AP:

A Head Start in High School

Research consistently shows that AP students are better prepared for college than students who don't take AP, regardless of their exam score. They're more likely to enroll and stay in college, do well in their classes, and graduate in four years. Taking AP can help you:

Get a Taste of College
Get familiar with college-level work—and boost your confidence by tackling it.

Develop College Skills
Time management, critical thinking, scholarly writing—AP courses and exams help you hone the skills you'll need in college and career.

Discover Your Passion
Studying a subject in depth could give you new insights and even put you on the path to a career.

Boost Your GPA
Taking an AP course and exam can boost your GPA. Check with your school for more information.

An Edge in College

Taking AP courses and exams in high school could give you an advantage in college by letting you:

Earn College Credit and Placement
Your AP Exam score could earn you college credits and let you skip introductory courses before you even set foot on campus.

Save Money and Time
Earning credit or placement can open up time on your schedule or even let you graduate early.

Stand Out to Colleges
"AP" on your high school transcript shows colleges that you're motivated to succeed, and taking the exam demonstrates your commitment to tackle and complete college-level work.

Keep Your Options Open
Earning college credit with AP can give you the flexibility to change majors, pursue a second degree, study abroad, or seek internships.

Summary of Courses Available at BRHS

WHAT COLLEGE LEVEL COURSES ARE OFFERED AT BRADEN RIVER HIGH SCHOOL?

UNIVERSITY OF SOUTH FLORIDA   CollegeBoard AP

SUBJECT AREA	DUAL ENROLLMENT	ADVANCED PLACEMENT
English	Composition 1 (ENC1101) Composition 2 (ENC1102)	AP English Language AP English Literature
Mathematics	College Algebra (MAC1105) Statistics (STA2023)	AP Calculus AB AP Calculus BC AP PreCalculus
Social Studies		AP US History AP US Government AP World History
Science		AP Biology AP Chemistry AP Environmental Science AP Physics 1
Foreign Language		AP Spanish
Academic Electives		AP Art History AP Art Studio/2-D AP Capstone Research AP Capstone Seminar AP Computer Science Principles AP Computer Science A AP Human Geography AP Music Theory

Please note: Not all AP/DE Courses are available each year. Course offerings are subject to the amount of student interest or availability for teacher staffing and course resources.

AP Credit Policy Search

https://apstudent.collegeboard.org/creditandplacement/search-credit-policies

Students have the option to search by a specific AP course or by college/university.

Dispelling the Myth about AP Scores

College Board Research Findings - June 2021
→ Enrollment Records for 1.5 million students and a subsample of 410,000 students with college grades ←

Key Takeaway: AP students who earn a score of 1 or 2 or average a score of 1 or 2 across their AP Exams in high school, have **better college outcomes** than academically similar college students who did not take an AP course and exam.

Finding # 1: AP students are **more likely to enroll in a four-year college** in comparison to academically similar peers who did not take AP courses.

Finding # 2: Students who earn AP scores of 2 are **well prepared to succeed** in introductory college coursework.

Finding # 3: Many students who first score a 1 or 2 on an AP exam will **take more AP courses and score higher.**

https://research.collegeboard.org/pdf/new-analyses-ap-scores-1-and-2.pdf

AP Capstone Courses – Seminar & Research

What It Is

AP Capstone is not a course. It's a two-year program based on two AP courses—AP Seminar and AP Research. Other AP courses teach you, in depth, about a specific subject, like biology or U.S. history. AP Seminar and AP Research are different. They focus on helping you develop academic skills you can use in any discipline. These skills include:

✓ **Critical thinking**: View issues from multiple perspectives and create arguments based on evidence.	✓ **Collaboration**: Work alone, in a group, and with expert advisers to communicate your ideas.
✓ **Conducting research**: Explore various research methods and complete research projects on topics of your own choosing.	✓ **Public speaking**: Present and defend your work as a group and individually.

AP Capstone Certificate and Diploma Options
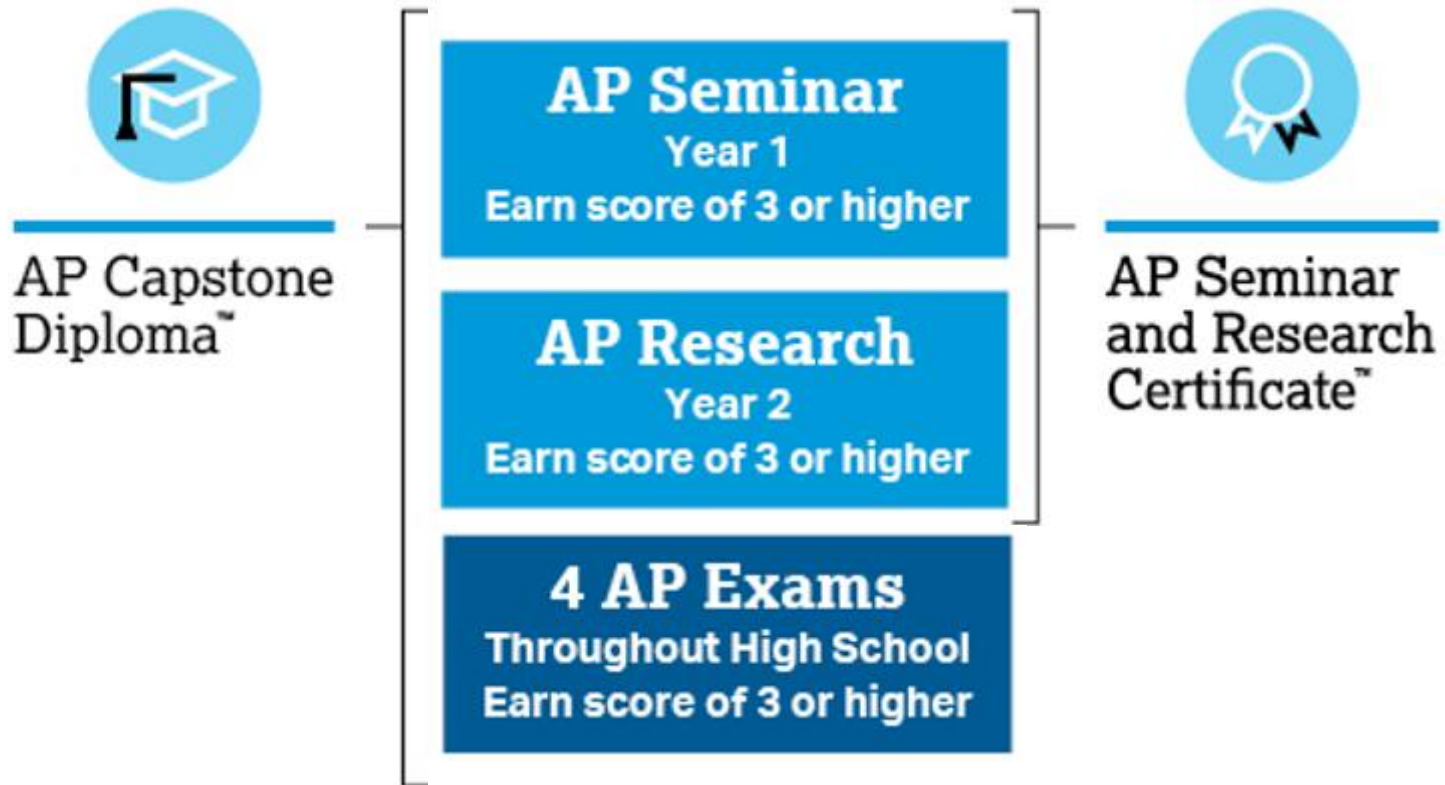

Dual Enrollment Information

What is Dual Enrollment (College Credit)?

Dual Enrollment provides an opportunity for students to earn credit for courses that meet both high school graduation requirements and can be used towards a degree program at the collegiate level.

BRHS partners with two institutions to provide dual enrollment opportunities:
- University of South Florida
- State College of Florida

Students can enroll in part-time or full-time dual enrollment programs while in high school.

Dual Enrollment (DE) Quick Facts

Main Questions	Points to Consider
Where are courses offered?	On campus with USF and off campus at SCF or USF Campuses.
What is the application process?	Online application. *Depending on the program, student may also be required to submit proof of residency, immunization record, online orientation, and DE contract.
What are the requirements to enroll?	Both institutions require a specific cumulative GPA and minimum PERT, SAT, or ACT scores.
How is GPA calculated for high school?	GPA at BRHS is calculated on a 5.0 scale. * Colleges and Bright Futures program may only calculate GPA on 4.50 scale.
How is the college credit awarded?	Grade earned in the course is recorded on both high school transcript and college transcript.
Is transportation provided?	Students or families must provide own transportation to USF or SCF.
What is the cost?	Tuition and required textbooks are provided by the School District.
What is the impact on college/university transcript?	Course grades are calculated into post-secondary GPA. * Students must submit an official transcript from USF or SCF to any other college/university that he or she may attend in the future.

USF Dual Enrollment

While Both programs that USF offers are for Dual Enrolled Students,
there is a difference between Dual Enrollment
And
Early Admission

UNIVERSITY of
SOUTH FLORIDA

Dual Enrollment vs Early Admission

Dual Enrollment

► 8th 12th grade

► 3 6 credits first semester

► Takes Up to 11 credits after 6 credits with C or better are completed

► Qualifying testing options ie.) Accuplacer (CPT), PERT, SAT, ACT, PSAT, CLT.

► 3.5 + GPA

► Maintains 2.0 GPA in college courses

► Part time **Non Degree seeking applicant** (Non Degree Application)

Early Admissions

► Senior in High School only (applies while a Junior in High School by March 1st of their Junior year)

► Takes 12 to 15 credits

► **SAT/ACT** qualifying testing only

► 3.8 + GPA

► Maintains 2.0 GPA in college courses

► Full time USF **Degree seeking applicant** (Degree seeking application)

► Student would not need to reapply to USF after High School graduation

Dual Enrollment

USF Dual Enrollment Requirements for grades 9-12

High School GPA 3.5 weighted and one of these test scores

SAT: 560 Critical Reading / 530 Math
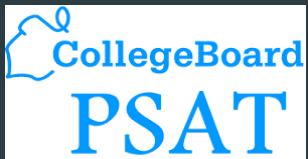

ACT: 21 Reading / 21 Mathematics

PERT: 123 Math / 106 Reading / 103 Writing
Offered at State Colleges and Public High Schools

CPT (Accuplacer): 256 Reading / 253 Writing / 250 AAF (algebraic functions)

Testing Center at USF Tampa must bring Photo ID & U#

PSAT/NMSQT or PSAT 10, The College Board
    Regular: Reading (24), Writing/Language (25), Mathematics (24) **Digital:** Reading and Writing (490), Math (480)

Step by Step Guide for Dual Enrollment

UNIVERSITY of
SOUTH FLORIDA

Step 1:
Student Applies to USF as a Non Degree seeking student from the Dual Enrollment Web Link

Step 2:
Student Sets up NET ID & USF email

Step 3:
Student Completes Immunization Documentation *on HS or USF campus

Step 4:
Student Fills out Dual Enrollment Form 1 (that's your info.)

Step 5:
Student works with counselor to select Courses (this info goes on Form 2)

Step 6:
Counselor submits Dual Enrollment FORM 2

Step 7:
Student Self Registers for Online or On USF Campus courses

Step 8:
Students get courtesy registered for **on High School USF Dual Enrollment Courses**

Step 9:
Student must attend first day of class to avoid **DROP.** Log onto online course or attend USF campus

USF Dual Enrollment

USF Dual Enrollment

From the Application Procedure Page   Read All STEPS First THEN apply here:

12. **APPLY:** The application process is initiated by completing the online **USF "Non-Degree Seeking" Application**, as a High School Dual Enrollment student. (laptop/desktop)

13. **NET ID:** STUDENTS must **ACTIVATE their NetID (USF email) 3 DAYS AFTER APPLYING.** **Activation of Student NetID** is found here.   Do this by using the same email used on the application or use a U Number - **DO NOT USE A PHONE**; only on laptop/desktop with google chrome. USF communications will only be sent to student's USF email account. **DO NOT WAIT FOR AN EMAIL FROM IT, it MAY NOT BE SENT TO YOU**. Having trouble? **CONTACT IT:** Chat: **https://itchat.usf.edu**

Dual Enrollment Deadlines

USF Fall Semester (August Start)	USF Spring Semester (January Start)
On or before May 15 - Articulation agreements with school/district for fall and spring are due	**On or before November 1** - Articulation agreements with school/district for just spring are due
On or before June 1 - Online "Non-Degree" Dual Enrollment Application for Fall Start (August) and Spring Start (January). And Counselors/ Parents / Students / Administrators submit Form 1 for each student annually.	**On or before November 15** - Online "Non-Degree" Dual Enrollment Application for Spring Start (January). And Counselors/ Parents / Students / Administrators submit Form 1 for "New Students."
On or before June 15 -Dual Enrollment Approval Form 2 for Fall (August) **NOTE:** You may submit Spring Approval Form 2 if known at this time for planning purposes. Use a second digital approval form noting spring semester).	**On or before November 15** For High School Campus Courses Approval Form 2 **November 15** - Dual Enrollment Approval Forms Due for Spring (January) for Online or USF Campus Courses.

Early Admission

USF Early Admissions Requirements

- Senior in High School (apply in junior year of high school)
- GPA 3.8 +

SAT: 1300, 580 Critical Reading

ACT: 29, 29 English
May take ACT Residual through USF Testing

Step by Step Guide for Early Admission

Step 1:
Student Applies to USF as Degree Seeking Student from Early Admission Web Link while in Grade 11 by March 1st

Step 2:
Student Sets up NET ID & USF email

Step 3:
Student Completes Immunization Documentation

Step 4:
Student Fills out Early Admission Form 1(EA)

Step 5:
Student works with School Counselor and USF academic advisor to select courses.

Step 6:
High School Counselor submits Early Admission FORM 2 (EA)

Step 7:
A) Student must sign up for ORIENTATION so they can register and attend.
B) Student Self Registers for Online or On Campus courses

Step 8:
Student must attend first week of class to DROP

Step 9: Starts second year automatically additional application is needed.

FAQS

FORMS

EARLY ADMISSION

Early Admission is a form of dual enrollment whereby eligible high school students are admitted to USF as fulltime students for fall and spring semesters of their high school senior year.

During the early admission year, students take 12-15 credits each semester. The courses they take earn credit toward both a baccalaureate degree and completion of the high school diploma.

Early admission is open to students from any high school setting: public school districts, charter schools, private schools, or homeschools. Schools, School Districts, Homeschooled students interested in making early admissions can request an Early Admission Articulation Agreement with USF by submitting an **electronic request.** Use the hyperlink to submit a request.

Students must start the Early Admission Process as early as the summer before or the beggining of their Junior Year of High School.

USF Early Admission

From the Application Procedure Page   Read All but apply here:

Early Admissions online applications must be completed by **March 1st**

2.   Students initiate the application process by completing the online **USF "Degree Seeking" Application**. When completing this application they will select the Fall Semester of their high school senior year.   **When it asks, "Will you have graduated from high school prior to enrolling at USF?" say YES. DO NOT PAY** the application fee and tuition/admissions deposit. Both will be waivered.

Haylee Hogan

State College of Florida Early College Programs- *Kalie Garretson*

Early College Programs

- **Dual Enrollment (up to 11 credit hours)** allows for qualified students to enroll in approved college coursework that will satisfy both high school and college requirements. *Students may qualify as early as 6th grade. Most students begin dual enrollment in their junior year of high school.*

- **Early Admissions (12-15 credit hours)** allows qualified seniors to enroll in approved college coursework full-time during semester 1 and/or semester 2 in high school. *Students **must** register for a minimum of 12 credit hours.*

- **Accelerated Dual Enrollment (12-15 credit hours)** allows qualified rising juniors to potentially earn the AA degree *(For Manatee & Sarasota county public school students and Lemon Bay High School & Charlotte Virtual in Charlotte County). Students **must** register for a minimum of 12 credit hours. Fall start only.*

Early College Programs

Type	Fall	Spring	Summer
Dual Enrollment	Up to 11 credits	Up to 11 credits	Up to 6 credits
Early Admissions *Senior year only*	12-15 credits semester 1	12-15 credits semester 2	none
Accelerated Dual Enrollment (ADE)	12-15 credits Ideally 15 credits	12-15 credits Ideally 15 credits	Up to 6 credits Between junior & senior year

- Students should register for <u>full-term classes only</u> during Fall/Spring.
- Strong students may consider Summer A, Summer B, or Summer C classes.
- Students are required to follow the SCF academic calendar.

SCF
STATE COLLEGE OF FLORIDA
MANATEE·SARASOTA

Eligibility Requirements

Dual Enrollment & Early Admissions

- Student meets with high school counselor.

- Student must hold an unweighted 3.0 GPA.

- Student must have <u>qualifying</u> scores (PERT, SAT, ACT, etc.) in Reading and Writing and/or Math to be placed into college level courses (no developmental courses)

Deadlines:

May 15th for Summer/Fall

December 1st for Spring

Eligibility Requirements

Accelerated Dual Enrollment (ADE)

(For Manatee & Sarasota county public school students and Lemon Bay High School & Charlotte Virtual in Charlotte County)

- Student meets with high school counselor.

- Student must hold an unweighted 3.3 GPA.

- Student must pass <u>all</u> portions of PERT or equivalent SAT/ACT scores.

- Academically ready for 11th grade. English I & II completed; completed Algebra I and passed EOC, completed Geometry, and passed Grade 10 English Language Assessment.

Deadlines:
May 15th for Summer/Fall
December 1st for Spring

SCF
STATE COLLEGE OF FLORIDA
MANATEE · SARASOTA

Enrollment Process

- Visit scf.edu/earlycollege and follow the step-by-step instructions to complete the enrollment process (this process takes several weeks to complete).

- **Step 1-Early College Application**

  - Complete the Early College Application (link on webpage).

  - Upon acceptance, SCF will send a series of Welcome Emails that include student credentials (G00#, username, password) and a link to the online orientation.

  - Students are required to send all communications through their SCF student email.

  - If the student is continuing dual enrollment courses, a new application is not required. A new application is required to return to the Early College programs after participating in our college enrichment/non-degree program.

STEP 1: Go to scf.edu and click on *MySCF*.
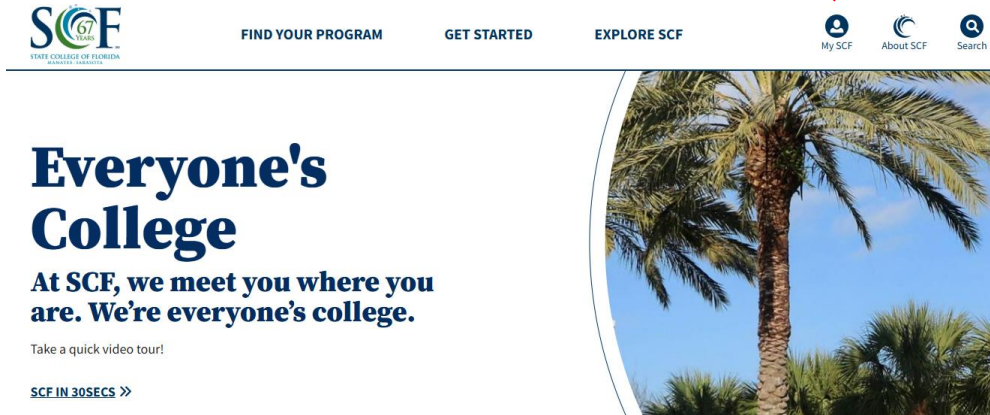

STEP 2: Enter your SCF credentials.

STEP 3: Click on the *Email* link to access your SCF student email.

SCF Student Email

Enrollment Process

•**Step 2 - Official Test Scores**

- Must be sent to the Office of the Registrar (registrar@scf.edu) directly by the student through College Board, ACT, or Cambridge.
- Super scoring is available with SAT/ACT/PERT.
- Students may take the PERT for free with SCF. PERT is by appointment only.
- PERT group testing will be available on the Bradenton campus in March. Counselors will be notified once days and times have been selected.
- <u>Students may test once per semester and no more than twice per calendar year.</u>

Enrollment Process

- **Step 3-Early College Contract** is submitted as part of the admission process. This digital contract includes the type of enrollment (DE, EA, ADE) and area of interest (pathway). _This form requires student, parent, and counselor approval and is student initiated._

- **Step 4-Online Orientation** is required prior to registration for new SCF students. Link to complete orientation is included in the Welcome Email.

- **Step 5-SCF Registration** must be secured prior to the DE deadline. Students should connect with their SCF Success Coach for assistance with registration. Students must submit a detailed schedule to their high school counselor after completing registration.

- **Step 6-Get Instructional Materials**

Early College Pathways

Early College General Pathway

Early College Business Pathway

Early College STEM Pathway

Student Perspective:

Amber DePasquale

Where can I find more information?

Test Preparation is VITAL!

Regardless of whether a student plans to take the SAT, ACT, PERT or CLT test, students need to adequately study and practice the material.

Many study materials are <u>free and available online</u>.

Dates to Remember

- ## Late January/February:
  - 2024 – 2025 Course Registration Begins!
  - PERT Testing on Campus Tuesday & Thursday, February 25th & 27th and Tuesday & Thursday, March 4th & 6th

- ## February and March:
  - SAT, ACT (Saturdays), CLT (monthly): See handout for registration deadlines and score release dates
  - Between March 3rd and 14th (Tentative): School-Day SAT for 11th Grade at BRHS

- ## May:
  - May 1st BRHS Deadline for USF and SCF Registration
