

How to Access Penda Learning

- 1) Visit the Penda Learning Website:

- 2) Open your web browser and go to Penda Learning.
- 3) Click on the Login button at the top right corner of the page.

- 4) Enter using classlink. If you don't have these credentials, please contact your child's school for assistance.

Navigate to the Dashboard:

- 5) Once logged in, you will see the Penda Learning dashboard. This dashboard provides access to various educational tools and resources.

Access 5th Grade Science Resources:

- 6) Click on Assignments.

- 7) Start Learning:
- 8) Your child can now start practicing science skills according to the specified standards. Penda Learning provides interactive and gamified activities tailored to their grade level.

Additional Tips

Bookmark the Penda Learning Website: Save the website link in your browser for easy access in the future.

Monitor Progress: Use Penda Learning's analytics and reports to track your child's progress and identify areas where they might need additional practice.

Stay Informed: Regularly check the Penda Learning dashboard for any updates or new resources provided by the school district.
