Dear Future Business Partner,

Thank you for your interest in being a Business Partner and reviewing the registration form for this school year. We truly value the partnership we have with businesses like you. As partners, we promise to promote your company as much as possible. Our schoolwide theme this year is "Building Our Future at Palma Sola" and we would love your help with creating a fun filled construction theme for our staff and students. We have a list of needs and are hopeful you will be willing to help through a partnership this year. Check out our list below:

1. **School Needs and Supplies** – This past year, we were able to fund programs that are not publicly funded to enhance the learning of our students. We would like to continue to fund those programs and could use monetary donations to allow us to do this.
2. **Student Learning Gains Incentives** – We have multiple ways that we monitor student achievement throughout the year. Students work hard all year to reach goals and we would like to be able to reward students for their hard work shown on assessments. We could use donations of incentives to reward student success.
3. **Staff Appreciation** – Our staff spends countless hours, energy, and funds on meeting the needs of our community and your partnership gives us a chance to spoil them back! We could use funds to purchase prizes, items for a treat trolley, etc. We spend a whole week celebrating our staff with breakfasts, lunches, sweet treats, prizes, and other surprises. If your business has an idea for how you could 'love on a teacher,' we would love to hear it.
4. **Teacher Wish Lists** – Teachers spend an enormous amount of their own money for things in their classrooms. As a school, we would like to be able to grant wishes for teachers to get those extra materials that help their instruction stand out among the best in the district.
5. **Event Sponsor**- We hold multiple events throughout the year where your business could have a chance to sponsor that event and get some extra publicity such as – Color Run, Harvest Festival, Staff Lunches, Family Nights, etc. We could use sponsors for all events. Costs for each event will vary.

If you feel that you and your employees could in any way help us meet our needs, please fill out the information on the enclosed form and mail or email it back to us. Once we receive the enclosed form, someone from PTO will reach out to finish up the partnership process. We look forward to hearing from you and hope that we can make the best Business Partner connection possible. If you have other services you could do for us that are not listed, just let us know and we will be happy to talk with you about them. Together we can make a difference in the lives of our children. Thank you for your time and consideration.

Sincerely,

Heather Sills
