Community

Braden River High School is located in Manatee County (population 340,000+). BRHS opened in August of 2005 with 9th and 10th grades in a community of both skilled and professional families. The first graduating class participated in a commencement ceremony in June 2008.

School Data

BRHS is a comprehensive high school with an enrollment of more than 2200 students in 9th-12th grades.

BRHS is a wall-to-wall academy high school currently consisting of the Arts & Communication Technology Academy, the Business & International Studies Academy, the Engineering Design & Leadership Academy, and the Science Technology & Health Academy. The four academies were evaluated by the National Career Academy Coalition. All four academies met the requirements to be recognized as Model Status Academies in 2012 and this status has been maintained during the reaccreditation process completed in 2016. Additionally, Braden River is accredited by the Southern Association of Colleges and Schools.

Academic Calendar

The school year is divided into two eighteen-week semesters. One-half credit is awarded at the end of each semester for every course passed with a D or higher.
