

Braden River High School
TV Production 2 Application

Dear TV Production 1 Applicant,

Being in TV Production 2/3/4 requires a self-motivation to do video projects. TV Production 2 students are involved in the creation of the news, commercials, segments, film festival, and other video work throughout the school. In addition, students that plan to take the class should be willing and able to come up often with their own ideas. Next year's TV Production 2/3/4 students will be selected based on the work they did in TV 1, their motivation level, and the essay that is written. Complete this application and submit it via **paper typed copy stapled to your registration form**. Mrs. Toole-Plummer will go through applications during summer and accept students qualified to be in TV 2.

Sincerely,

Abby Toole-Plummer
