

English IV

Summer Reading Assignment

Lakewood Ranch English Department

What do I read for summer reading?

Students are **encouraged** the novel on the back. Selections are based on the English class each student will be taking in the upcoming school year.

What is the assignment?

The goal of LRHS's summer reading assignment is to keep students actively engaged in reading while exposing students to the type of literature they will be encountering in the upcoming school year. Students will **not** be required to complete an assignment outside of school; however, students should be prepared to take a summer reading assessment the **2nd** day of English class for *Quarter 1 bonus credit*. The in-class assessment may include questions that pertain to plot development, major conflicts and characters, character motivation, themes, points of view, and/or prominent symbols. The format may include the following types of questions: short-answer paragraphs, quotation significance, and multiple choice. Students will NOT be able to use their novel or notes for the assessment.

How do I prepare for the in-class assessment?

In order to be prepared for the assessment, students should follow these recommendations:

- Students should never rely on online summaries or movie versions in lieu of reading the entire book.
- While reading, annotate the text by highlighting, posting sticky-notes, or writing in the margin. Annotations should occur in the following instances:
 - Key plot event
 - Major conflicts (man vs. man, man vs. world, man vs. self, man vs. nature, etc.)
 - Development of major characters
 - Major themes
 - Points of view
 - Symbols
- Form a book group with friends to discuss the novel. Sharing ideas is a very effective method to gain a deeper understanding of the storyline.

Where can I find my assigned book?

A limited number of books will be available for check-out from Lakewood Ranch High School's Media Center or from the local library. Students can also purchase books at Books-A-Million, Barnes & Noble or through an on-line distributor. Students will NOT be required to bring the novel to class.

***Brave New World* by Aldous Huxley**

Huxley's story shows a futuristic World State where all emotion, love, art, and human individuality have been replaced by social stability. An ominous warning to the world's population, this literary classic is a must-read.
