# Are you ready for a **JAWSOME** year?

## LET'S GET YOUR PENCIL BOX READY TOO

**Please follow the directions below and bring your pencil box the first time we meet!**

### Here's what to do:

**\*First, personalize the plastic pencil box with your (child's) first name. Use a Sharpie permanent marker or even letter stickers.**

**\*Be creative!\* The kids love and treasure these boxes all year!**

**\*Then, add the pack of the 8 large Crayola Crayons.**

**\*Next, place 2 sharpened pencils inside.**

**\*And then, write your (child's) name on the handle of the scissors and place those inside the pencil box.**

**\*Also, you might want to stick in a little love note for your child on their first day! A little note from home can bring comfort and a big smile on those first few days! I promise to help read it to them! :)**

**\*Finally, close the pencil box, put it with the other supplies and bring it the first time we meet.**

**I can't wait to meet you soon!**

Parents,  
I ask that you **PLEASE DON'T** allow your child to add glue sticks (or any other supplies) because we will be learning how to use them first, before they go inside the pencil box.

Thank you so much for your help!
